EXPERIMENTATION TEACHES STUDENTS NEWEST TECHNIQUES

Experiment: to try something in order to find out or to make trials or tests. Encinal science, homemaking, horiculture and cooking classes experimented as a part of the learning experience. Some of the favorite experiments this year were when the bachelor survival class members attempted their first cakes, and when the chemistry classes tried to identify the unknown elements.

Classes that experimented particularly appealed to students because they let us experience reality.

It was one thing to read about the experiment, but it was far better to actually participate and learn by doing one.

PLANTS, POSTERS AND CROWNS ARE PROJECTS OF 1977

Lately in this year there have been many projects; ranging from potting plants to painting posters. The biggest projects of the year was the spirit week float. Senate members worked three weeks building the E.H.S. float. Nearly three thousand paper carnations were stuffed into the floats of the chicken wire that made the float. Competition among the classes brought on a surge of spirit that eventually covered the walls. The projects helped seniors win the trophy for the most spirited class of 1978.

In the academic area Ancient World Classes made Pharonic crowns again. Sophomores felt that their crowns were far superior to those of this year's freshmen.

All in all, E.H.S. classes turned out projects that interested all students.

FIELD TRIP TIME: TRAVEL TO PRISON OR SEE AN OPERA

Leaving school to go on field trips was one of the best parts of student life. Choir members went to see the Opera "Faust." Hopefully students picked up tips on how to sing better. The Government classes went to Sacramento. They also went to prison. Some students cheered but others thought of it as just another trip to the old federal prison on Alcatraz Island. Some students went to court and witnessed a rape trial. Even the English classes got into the act. In San Francisco they attended "A Christmas Carol" which was performed by A.C.T.

Those who wanted to drive signed up for driver training with Paul Foster. They gained experience by driving through the streets of Alameda and even the hills of Oakland.

Spanish classes, not to be outdone, saw "La Celestina" in spanish at the University of California theater in Berkely.

DRILLS PERFECT REQUIRED SKILL, GREAT PERFORMANCE

Drills created precision performance at E.H.S. The repetitious training sharpened reflexes of those who performed. Obvious classes and groups dependent on precision included ROTC drill team, marching band, and the gymnasts. Each of those groups gave precise reviews that were the result of their continuous training.

ROTC's first major competitive performance was November 11, when they captured the honors in the East Bay Veteran's Day Parade in San Leandro. Practice surely paid off as the color guard, drill team, and the marching unit all took first place in that parade.

The gymnastic team practiced hard and that training helped two of the girls, Roxanne Comacho and Tonya Smith, towards the ACAL title.

WARM-UPS: EASY FLOW INTO DAYS ACTIVITIES

The dictionary defines warm-ups as the act or instance of warming up. Encinal defines warm-ups as getting physically or mentally ready for the upcoming event. The purpose of these meaningful exercises was the prevention of injuries and the fine tuning of the body for performance to come.

A required ten minute finger and mind warm-up started the day for typing and short-hand classes. The various ensembles began their day with a melodious tune-up. The noisiest warm-up clearly belonged to the instrumental music department.

DISCOVER DESIGN: CONCEPTS BEYOND CLASSES IN ARTS

Casting pots, making jewelry and sketching were ways in which students discovered and used design. Science class members sketched and then built models of solar energy homes while Ancient World History class students made Egyptian crowns. The **Horizon** staff worked to create new and interesting layouts to achieve an award winning yearbook.

Our peers discovered design everywhere they want; in the illustration of posters and advertisements; the features of persons' faces and the contours of their bodies; and styles of clothing. The Fashion Institute of Design and Merchandising in San Francisco offered a year's scholarship which sparked student interest in design. When EHS students thought of the concept of design, they realized the important role it played in many classes and in our lives.

TECHNOLOGY HITS ENCINAL: EVEN TO DIAGNOSTIC LABS

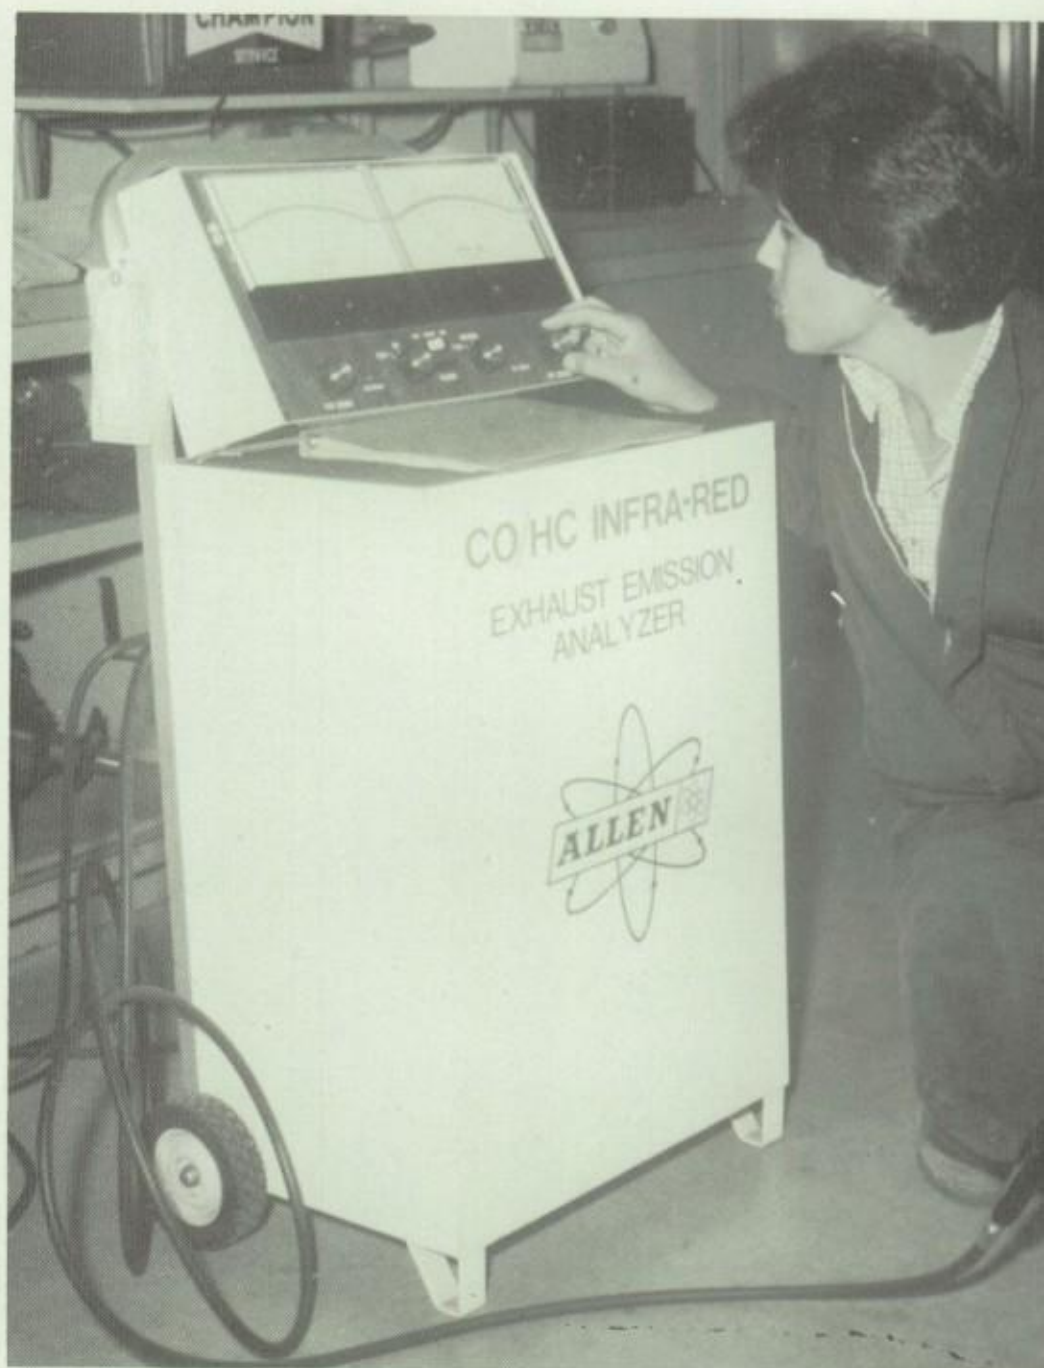

Calculators, new mechanical drawing tables and diagnostic systems made science, drafting and industrial arts classes at Encinal easier as well as more accurate. In the school students excelled in fields they enjoyed and prepared for the future.

Library and office training classes witnessed an improvement over past years when typewriters that were programmed came into use. And a new micro-fiche in the library updated the previous micro-film machine. It provided the student with past information in seconds.

Auto Shop received a complete diagnostic lab which helped the student to find malfunctions in the motor and various parts of the car.

These advances proved technology was a key factor with which individuals expanded their knowledge.

COMMUNICATIONS UTILIZE VOICES OF STUDENTS

Choir singers harmonized, Forensic society speakers debated, and student senators argued school political issues. Where one went voice-power dominated the various forms of communication. Students gave up Saturday pleasures in order to compete in such events as: The Golden Gate Speech Association Tournament, the NFL Debates, and the singing of carols at the E.H.S. Christmas Fair. The most talented speakers included, Carl Ploss and Daryl Browmen. Some of the hottest debates revolved around prison reform and comprehensive medical care.

In the ASEHS Senate sounded more like old fashioned argument as the senators wrangled over how much to pay professional performers at assemblies or how to stretch the budget to cover requests for financial aid from student clubs and groups.

STUDENTS PROVE THEIR POTENTIAL IN EVERY ASPECT

Human power was creative power. We used human power in every aspect of our daily lives. The best way to visualize human power was to see it in photographs.

The sports at school showed real endurance and training not only in physical education, but on all of our teams. The hard work and training produced victories in all areas, and when we lost we showed good sportsmanship. Our Varsity Football team this year was a good example of endurance and hard work which produced a great victory. ACAL champs!

We also showed our human power in crafts class, making clay sculptures, fixing cars in auto shop etc. Some students showed their creative power outside of the classroom such as making human pyramids on the lawn and digging on the beach.

SUPER MACHINES: PREVIEW FUTURE, AID JOB SEEKERS

Special machines were used daily by students. Auto shop, crafts, and welding gave students the opportunity to use tools not available in home workshops. Such classes also promoted decisions about future careers.

Clerical classes like work processing featured complex office equipment. It included the I.M.B. copy machine, selectric typewriters and Mag Card II, which could be programmed to type the same material many times at the push of a button.

Auto shop helped future mechanics learn their trade. Understanding the distributor tester and the valve grinder, which are commonly found in gas stations, aided guys get part time jobs in local service stations. These machines really furthered specialized education.

DURING THE YEAR MUSIC MAKERS ENTERTAINED ALL

The Music Department was 150 strong. Jazz Ensemble, Marching Band, Concert Band, Advanced Band, and Orchestra entertained all year long.

Marching band played for all the football games and most of the assemblies. This year was the first year band members could wear their new uniforms which cost \$11,000.

Jazz Ensemble with its many talented students played a Christmas Concert in December. They competed at the Hayward Jazz Festival and they played in the All School production of "Meet Me At the Fair."

All the other groups and bands did their share of entertaining during the year. None of this year's events would have been possible without the patience of Jim Hewitt and determined students.

MOST PREFERRED TOOL IN CLASS: IS POTTER'S WHEEL

We used tools everyday. Pens and pencils were used in doing homework, classwork, and quizzes. Illustrations for Art or Mechanical Drawing required special pen and equipment. In Ornamental Horticulture, spades, shovels, and hoes were some of the simple tools with which students worked. The potter's wheel, in Mr. Ruark's Craft Class was probably one of the most preferred tools in school.

Ruler's and cropping L's helped the HORIZON Staff get the right measurements for their lay-outs. Algebra 2 and Chemistry students got a lot of help from their handy calculators when they solved problems

PRACTICE RANGES FROM SPANISH I TO PARKING CARS

Classes that practiced were part of our life. Remember Spanish I? The whole class in unison repeated: "yo como, tu comas, el coma . . ." that was practice. It seemed that every class practiced something. The reality of practice was best understood when the coach or teacher stood over us.

Away from school, everybody practiced but no one complained. Future drivers practiced parking for what seemed like hours until they could maneuver the car into the smallest of spaces. Practice was a part of our every day lives and the worst practice for students was getting up for school every day.

CONCENTRATION: DISSECTING FROGS CATCHING BALLOONS

Concentration — was used daily, even hourly but few realized it. Concentration by definition occurred when one focused his thoughts on a subject. Think of all the various subjects students focused on! — Why they ranged from celestial bodies to ordinary bodies.

In science, dissection of frogs required one's attention. During Exhibit Week, students frolicked and concentrated when they tossed water filled balloons to each other. In football, the kick for the extra point demanded all the attention the kicker could give otherwise he could have expected an angry crowd.

EVERY STUDENT AND EVERY CLASS MAKES DECISIONS

Decisions were a part of everyday school life. The decisions we made meant the passing or failing of a course.

In Auto Shop, for example, a wrong decision meant the possibility of a hundred dollars in repairs. An expense few guys could take. In Sewing Class, once the decision had been made to cut the material, it had to be done right because it couldn't be recut. A wrong decision in a sport meant the winning or losing of a game or meet.

In every class decisions were made. The most unnoticed part of education was making decisions.

RESEARCH: A NECESSITY IN ACADEMIC CLASSES

Research was necessary in most academic classes. It was an important part of home-work, reports, and projects in Social Studies, Science, English and even in the Mathematic classes. Teachers assigned research to their students so they could assimilate information not presented in class. The students discovered things they wouldn't have known about if the research was not required.

Research was done in a variety of ways, from reading a book related to the academic subject to dissecting a specimen in a science class. In the Social Studies classes, it included writing term papers.

FINE ARTS DEPT. MUSIC, PAINTING SINGING, DANCING

Mr. Robert Ruark, Mrs. Sandra Jones, Mrs. Jane Chavez and Mr. James Hewitt were all a part of the fine arts department.

Mr. James Hewitt was head of the music department. Music students rehearsed and practiced all year to perform in the Christmas show and spring concert. Students inexperienced but interested in dance enrolled in Mrs. Jane Chavez' and Mrs. Sandra Jones' ethnic and modern dance classes. Students who wanted to work with their hands joined with Mr. Robert Ruark and Mr. Gene Ford in crafts and woodshop classes.

Mrs. Sandra Jones' modern dance class performed dances made up by the students at the Christmas assembly before the EHS students. In the field of art Mrs. Mary Ellen Nicosia and Mr. Gene Ford displayed their students' art work in the showcase in the main hall.

R.O.T.C., DITTOS, EVEN DOWN VESTS: ALL ARE UNIFORMS

Whether you realize it or not, you probably had a chance to wear one of Encinal's uniforms. Obvious uniforms included band and R.O.T.C. The not so obvious uniforms were found in crafts and metal shops. Crafts used a green apron supplied by the school. Metal shop used a uniform to protect the eyes and it was called goggles. Uniforms were used in every sport too.

Even the clothes worn by people were uniforms. The easy to spot uniforms were Levi's, Dittos, and down jackets and vests. No matter what, chances are that you couldn't get away from uniforms.

CLASSES UTILIZE THE PAST IN OUR DAILY SCHEDULE

Classes that utilized the past were seldom noticed at E.H.S. Each academic course defined its version of the past differently. Certain English classes for instance, read Homer's **Odyssey**, bringing back the world of early Greek civilization. In Ancient History, students brought back the past when they were assigned a project to create ancient Egyptian crowns. Even slide rules which had been replaced by the popular calculator, were used periodically in solving chemistry problems.

One more example of the past was the marching band's music that ranged from the theme of "Star Wars" to their traditional "Victory Song." Finally, the HORIZON staff dealt extensively with the past, for it was their duty to create a yearbook of cherished memories.

OUR PRESENT: ENJOYING TODAY, AWAITING TOMORROW

The time we spend at Encinal was built around our lives today. We made our own decisions in hopes of having a successful tomorrow. Some of us looked into the business world built around classes like typing, accounting, and home economics; other students took courses that were college requirements.

Some students tackled things that were everchanging, as did those who were in Current World Affairs and those who found the metric system a difficult change to except. Almost all the classes we were involved in were new and exciting, and all of them were based around our lives today.

PROGRAMS HELP STUDENTS PREPARE FOR THEIR FUTURE

Starting in their freshman year, every student began preparations for his future. There were at least three major programs available to help students with their important decisions.

The Career Center offered information and qualifications concerning different colleges and job opportunities. Grades still decided whether a student went to a university, a local college, or directly to work.

The ROTC, with its drill and training program, introduced techniques relating to the basic military life.

Home economic classes taught students how to survive. Bachelor survival and the sewing department were perfect examples as those who attended learned to live.

HORIZON '78 UNIQUE MEMORIES; NATIONALLY RATED

With the biggest staff the Horizon has ever had, the job of making a good yearbook was made extremely difficult. The goal of the '78 Horizon staff was to create a unique and memorable yearbook. With the advice of Art Roke, yearbook advisor, and Ron Espell, the staff's only editor, the staff strove to meet deadlines, which involved taking pictures, writing and rewriting copies, and setting up the actual layouts. Jointly they produced a yearbook encompassing the entire school year and community events.

RECREATION HAS IT, ALAMEDA GETS SKATEBOARD PARK

Recreation seventy-seven! In July the first skate park in the bay area opened in Alameda. The skate board business boomed because of popularity of the sport. The park itself had three separate bowls for skaters with different abilities. There was also a pro shop which featured products for the every-day skateboarder.

Sailing was another favorite recreational sport. One Encinal student Bob Wondolleck captured a national championship. Sixteen students found out that by taking an E.H.S. sailing class you could be an independent sailor.

Swimming, surfing, and water skiing were popular. So were jogging, frisbees and, tennis. All in all there was a recreational activity for everyone.

TRANSPORTATION 78 BIKES, MOPEDS, AC- CENT ON ECONOMY

The emphasis on transportation this year was economy. Motorcycles, bikes and mopeds were this year's favorite ways of getting around. Transportation was severely hampered for some students by the A.C. Transit bus strike. Many students had to rely on their mother, father or older brother or sister for a lift to school.

Mopeds were a big fad this year. Not only were they fuel saving, but they were easy to take care of and handle. There wasn't a school day gone by that the bike racks or student parking lot weren't filled to capacity.

YOUNG LIFE; ^{NEXT YEAR} BEING A PART ^{LOVE} OF CHRISTIANITY ^{SHY} AHH WAY

Young Life met at club member's homes with the common goal of understanding and being a part of today's Christianity. Each week Randy Price, Carla Hill, and Brian Boerman led a minimum of forty high schooler's in activities and songs that promoted good clean fun.

After club meetings kids usually climbed into their cars and headed for such places as Lords and Fentons for ice cream sundaes.

Highlights of the "77-78" club year included the annual Halloween party, ice skating in November, and the All City Christmas Club. Also included were a ski trip to Tahoe, the Black Bart Raft Race, and Young Life's summer camp at Woodleaf.

JOB HOLDING IS FINE, PROVIDED YOU CAN FIND ONE

Life interfered with student jobs. Everyone wanted money of their own, the feeling of earning their way, but daily life hindered job holding. A job was fine provided you could find one.

Consider school hours 8:45 to 3 p.m. They virtually eliminated work hours. Orthodontists appointments always came at an awkward time. If you were an athlete you spent endless hours in practice when you could have been working.

Students who held jobs worked all over town. They flipped hamburgers at McDonalds, made tacos at Taco Bell or cleared tables at Rusty Pelican. The best part of any job was a student had something they could write down on a future job applications under "experience."

THOSE WHO SERVE THEIR COMMUNITY GET RECOGNITION

Those who served their fellow school mates and community deserved some recognition for their work during 1977 and 1978. Encinal students were involved in Boy Scouts, Job Daughters, and Soroptmist projects. They were aides in the hospital, they worked for disadvantaged kids at Mastic School, and participated in church programs that were needed fund raisers.

In school, statisticians, letter girls, and R.O.T.C. members were the noticed of those who served. Statisticians recorded important statistics which coaches and players used as a reference to check individual and team improvements. Support such as this made school activities run smoothly.

One way of serving that few people thought of included human kindness and interest. This service was clearly demonstrated when Mrs. Ellis' office classes gave her a surprise baby shower.

FIELD TRIPS MAKE A BETTER FUTURE FOR EHS STUDENTS

A lot of classes took field trips. Last July the annual government field trip to Sacramento was probably one of the best investment in this country's future voting citizens. Sixty students endured a two hour to meet their legislators and see them in action.

One highlight at the California State Chamber of Commerce during a morning session devoted to learning about lobbying was a coffee and donut break. At lunch time some opted for hotdogs from a local street vendor.

Another trip took students to Oakland where they visited Fred Cooper our representative on the County Alameda Board of Supervisors. Some kids polished off the day with a look at the nearby Oakland Museum.

STUDENTS MAKE LOCAL BEACHES SCULPTURED SAND

More than a dozen E.H.S. students gathered at Robert Crown Memorial State Beach on Saturday, June 18th and joined the annual sand castle contest. Despite the overcast June weather, they worked hard to perfect their imaginative sand creations. Even the overcast and the strong early tide that threatened their sculptures didn't stop them. They proved their artistic abilities to some 250 spectators who wandered around the beach and enjoyed their creations.

The entries included a mermaid, a BART train and traditional sand castles. Water bottles, shovels, pails, and rolling pins were used to help perfect the sculptures. When the judges announced the winners, they included E.H.S. students, Erwin Morata and Alan Schroeder and his family.

PRIVATE LESSONS DEVELOP SKILLS; PROVE REWARDING

Playing the drums, swimming, sewing, and sailing were some of the activities EHS students spent some of their time off campus. An hour a week was devoted to private lessons that developed skills not developed in school.

Lessons were taught at home by a private instructor or at a studio.

Though frustrated at times, lessons were a bargain in self-esteem and an additional ability. Lessons proved to be rewarding by the developed skill they attained.

STUDENT SHOPPING; "SALES" HELP MAKE GIFT BUYING EASY

Shopping was one of the many pastimes of Encinal students. They shopped for clothes, groceries, and the small luxuries enjoyed by high school students like records or sporting equipment.

Special occasions such as birthdays and Christmas were a time to shop for gifts. A limited amount of money made it hard to find and buy a gift that really appealed to someone else. "Sales" were an essential part of shopping.

The average gift cost about \$20 for girls and \$15 for guys. Personal clothing for both sexes ranged from \$20 Dittos to \$198 suits on close-outs. Some of the favorite gift items were cologne or perfume, Levi's jeans, and huge novelty teddy bears.

The favorite shopping centers seemed to be Southland, Eastmont Mall, and South Shore in Alameda.

TIME OFF FROM SCHOOL ENJOYED BY ALL STUDENTS

After spending six, long hours in school students appreciated the hours after school. Although most of the time was spent doing homework, students found time to do a number of different things. Work was the main after school activity, as well as watching tv, doing homework or participating in sports. The weekends were the best of all the afterhours. All weekends started out with the famed Friday night. This might meant a number of different things dates, parties, or watching a rerun of the Rockford Files. The rest of the weekend was the all time favorite for most people, everthin' from mowing lawns to going skiing.

PRIVACY COSTS! TELEPHONES SIX DOLLARS MONTHLY

Students used telephones for more than just social calls. Many used the phone to get help with their homework, line-up job interviews, and to order food from restaurants.

Each classroom had a phone so that the teacher-office communications were easily available.

A poll found that girls spent an average of ten hours a week chatting on the phone. Boys restricted their weekly average to five hours and that was what they referred to as "business calls."

The luxury of a private phone was costly. It was twenty-five dollars just for the phone and installation and about six dollars a month in service charges.

JOBS, FRIENDS, FUN LEADS OFF- CAMPUS ACTIVITY

Off campus, the students at Encinal High did everything from hold down jobs to playing tennis. Although after-school work was not the most enjoyable pastime, it occupied some part of the day while earning money for more exciting activities.

Since friends made most events more enjoyable, students usually were together in all the fun. They went to the movies, partied, or just had a good time rapping with each other.

Most students liked doing things outside the house, but all had to endure the cleaning up and general jobs. They were least favored activities among students.

'RUMOURS' TURN GOLD; STAR WARS IS BOX OFFICE HIT

In the music industry this year the top groups and singers were not hard to pick. Since the beginning the famed gold record "Rumours" by the world-wide known group Fleetwood Mac is still managing in the top ten albums of the nation.

But of course records are surpassed sooner or later by the choice of the record buyers. And a fast selling already number one album and soundtrack from the smash movie "Saturday Night Fever" has already had a number one single and has another on the way.

As for the field of SOUL and Pop artist Stevie Wonder was undoubtedly the "best" taking every award given for Soul artist and album. Linda Ronstadt was again named Pop female artist for her album Simple Dreams.

As everybody expected Star Wars has gained the title, number one box office seller. Other movies had to be named because of their actors which brought on such movies as The Turning Point, Close Encounters, and The Goodbye Girl.

OFF CAMPUS SPORTS MAKE EVERYONE A STAR

People learned to excel in sports in school, at various parks and on different city school-grounds. From basketball in the winter to baseball in the spring, sports provided students with a little extra something to do on holidays, weekends, and any of their free time.

The year's oncoming sports were in the areas of frisbee throwing, rock climbing, skateboarding, bicycling, and jogging. Students who could afford the price of lift tickets took advantage of the great snowfall as they skied at many of their favorite spots such as Alpine Meadows and Squaw Valley.

Off campus sports made every student a varsity athlete in their own way.

STUDENT BOWLERS USE BODY ENGLISH, ROLL HIGH SCORES

Though there were no organized school bowling leagues, those who were really serious about bowling found numerous leagues to choose from, either at Mel's Bowl or the N.A.S. Lanes.

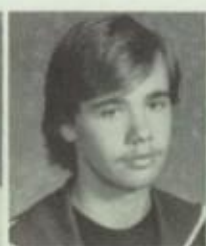

The winter league at the N.A.S. Lanes lasted from September to May. On Saturday mornings, 40 to 42 Encinal students filled the bowling alleys and paid the league fee of \$2.25 to get involved in team and individual competitions. One E.H.S. sophomore, Dennis Poniente, led his league with an average of 171 and rolled games as high as 241.

For the more ardent bowler, it was a sport that required balance, timing, and concentration. One more aspect of bowling, was the use of "Body English." It was interesting to watch the bowler coax a rolling ball by moving his body. For those who took the sport as a source of recreation, it was a lot of fun for a small amount of money.

INDEPENDENCE DAY FEATURES PICNICS, CONCERTS, PARTIES

To the surprise of many, the 4th of July in "77" was equally as much fun as the bicentennial celebrations. Students had a number of things to attend to keep them happy, including the annual 4th of July picnic at Franklin Park, the annual July 4th parade, or even the carnival at Crown Memorial Beach.

For some students this was not enough, so they attended the Day on the Green #5 which featured, The Outlaws, Santana, Peter Frampton, and the late Lynyrd Skynyrd Band.

As far as night activities go there were three separate firework shows and a number of parties that went on into the night.

HALLOWEEN FUN: UNIQUE COSTUMES, PUMPKIN PICKING

Halloween gave young children a chance to collect neighborhood candy while it also gave highschool students a chance to create unique and unusual costumes.

Not only did the usual witches and devils roam the streets, but there was also a pair of dice, a fruit salad and even Bonnie Clyde.

Pumpkin picking at the nearest patch was popular. Finding a pumpkin with a perfect personality was difficult but rewarding. Not only was carving fun, but the baked seeds made a great snack.

BANK'S 24-HOUR DANCE MARATHON YEAR'S BIG EVENT

What started out as a publicity stunt and fund raiser for "Close-Up" became the longest lasting dance in Alameda's history. Alameda First National Bank introduced its new Mini-Banc with a 24-hour dance marathon January 6th and 7th.

For every person who came to the bank during the 24-hour period and was given a Mini-Banc demonstration the bank donated money to Close-Up for the students' trip to Washington D.C. The more demonstrations given, the larger the donation became. The bank gave \$2,400.

Parents and friends came to see the marathon dancers. Once in the bank nearly everyone joined in dancing for a while.

Saturday morning featured dancers still going strong and spectators drinking coffee and munching donuts. With 72 dozen donuts for the public the bank looked like the biggest bakery in town. Kevin Hanna's band played for 6 hours but most of the music came from favorite records of the students. At the end of the marathon five EHS students and two from AHS had danced 24 hours.

SCHOOL OR HOME CHRISTMAS MEANS DECORATING BOTH

In school Christmas was celebrated a week before the actual vacation. It included classroom parties, the Christmas fair, and the assembly programs. The fair on December 6th chalked up a successful 3rd year. Forty booths that ranged from selling T-shirts to French Eclairs. The assembly was produced three times. A night performance for adults and friends was the most elaborate of the three. The two performances for the students were shortened because of specific time allotments. They played for two audiences of 750 students each.

Christmas at home included a tree, family reunions, and presents. Nearly everyone the Horizon asked said that their decorations were put in the same place each year. For the Muir Family it just would not have been Christmas without the Nutcracker in his usual place. Stockings also helped tradition as they usually had the best presents.

One nice custom that has revived in Alameda was that of students who caroled in their neighborhoods.

THE "KING" DIES; SEVERE WEATHER BLASTS NATION

The 1977-78 year was a year of many record breaking events. Floods in the west and freezes in the east were the most dramatic as the U.S. suffered the worst weather since 1888.

Three Hollywood greats, the "King," Elvis Presley, comedian Groucho Marx, and all-time singer/actor Bing Crosby passed on and left their memories behind. Cheryl Tiegs hit the all-time high for a model, by being paid \$1000 a day and the Star Wars craze went all over the world.

President Carter introduced an energy bill and tax reform while being evaluated in his first year of office. Ethiopia attacked Somalia, Anwar Sadat visited Israel and U.S. senators felt the heat as they fought over the canal treaty. The dollar devaluated and there was no hope in curbing inflation. The coal miners struck, the Taft-Hartley Act was invoked, while the country awaited their decision. NASA introduced the Space Shuttle and the Concorde jet landed in New York.

The drought ended in the west and water rationing became history. All in all, the 77-78 year was a year of dramatic change and new experience.

DROUGHT OVER, TRANSIT STRIKE; OUR LOCAL EVENTS

This year consisted of many events which affected E.H.S. students locally.

Such as:

The two year drought ended this winter because of state-drenching storms; AC Transit drivers and workmen went on strike forcing students to find new transportation; Encinal had a great Football season and made second place at the North Coast Championship game; and new bike lanes were installed this year in Alameda for the enjoyment and safety of cyclists.

Put together it showed that the Bay Area is an ever-changing community.

JET SQUAD WINS COVETED A.C.A.L. 77 CHAMPIONSHIP

Bob Erbland coached the Jet Varsity football team during the 77 season. Their 9-1-0 league record brought them the ACAL championship. The 77 Varsity team was undoubtedly the best football team to grace Encinal's history. Working together the coaching staff and players defeated their toughest rivals Piedmont and Alameda. Piedmont wound up on the low end of a 20-15 score. The cross-city rival Alameda was soundly defeated 27-8.

Early in the season, the backfield, consisting of Dan Dozier, Daryl Thomas and Gordon Smith worked as a unit to destroy opponents' passing games. Their hard hitting ability demolished San Leandro and earned them the name of the "Soul Patrol." Outstanding players selected for the All-league team included Kevin Werk, Mike Saxton, Mark Allegrotti, Torren Lagorio, and Dan Dozier.

J.V.'S POST 7-2 SEASON: FROSH STICK TO BASICS

The J.V. football team coached by Don Grant and Ken McCartney made the 1977 football season a great one for the squad. The staff based their psychological strategy on "jet pride and victory" which turned out to be very effective, despite their loss to their cross town rival, Alameda. Players agreed that long practices and hard work benefitted timing; and resulted in 7 victories and 2 defeats in the season. They shared the league title with the varsity in the ACAL as the co-champs.

The frosh team coached by Jim Kruse, Mike Westaney, and Jason Brandes didn't win a single game but didn't lose without a tough battle. Coaches and team members accepted the seasons results but felt that basic football fundamentals had been developed for the next year's J.V.'s and future varsity.

"500 MILERS" SET NEW RECORD WITH 4,752 MILES!

For the first time in the history of EHS Cross-Country, coach Joe King's distance men had eight runners complete the 500 Mile Club program held over the summer. The runners had to put in 5.5 miles per day for three months. The top performance was turned by Larry Scott with a new record of 810 miles.

Encinal also turned in another winning season as they compiled a 4-2 record. The Varsity was led by returning lettermen Jim West, Dennis King, Alan Zehnder, and Larry Scott. The Jets' strongest race of the year was against Moreau as the Jets won 28-33.

The girls were led by Kerri LaCroix and freshman Libby Hopkins. Coaching the girls was Debbie Brandes as she directed the girls to a 4-2 winning season.

THE GIRLS TENNIS TEAM ENDS YEAR WITH FOUR LOSSES

Girls tennis ended the 1977 season with a three-way tie for second place in the A.C.A.L. league. The girls lost four games, two to Piedmont, one to Alameda and one to San Leandro. They played ten games and had two round robins in league play.

Katie was the outstanding player for E.H.S. It was her first season with the team and she managed to go to Northcoast and captured the A.C.A.L. singles titles.

Awards were given out at the annual pot luck dinner which officially ended the season. Theresa Montonya received most improved, Cheryl Saxton won most spirited and Katie Delmore received most valuable player.

NEW INSTRUCTORS HELP VOLLEYBALL TEAM STRATEGY

The Encinal Volleyball team, coached by Maurice Ruark, and Kent Yoshiwara finished third in the ACAL behind Pacific, Alameda, and San Leandro. Mrs. Jane Chavez instructed the team as it seemed to have some good streaks and some bad ones. The extra time put out by the coaches not only helped the team to improve, but also taught each individual some useful strategy.

Melody Meyer won the all league medal and was also awarded the Most Valuable Award trophy. Lyric Sayson worked hard to receive the Most Improved Award trophy.

SWIMMERS DO IT ALL; SET RECORD BUY SUITS, SWIM

Encinal's Girls Swim Team had a great year. It consisted of one Varsity team and one J.V. team. They bought new suits for the 37 girls. Freshman swimmer Dana Wright broke the Varsity 500 yard freestyle by swimming it in 5:39.2.

The Varsity team produced a 7 win 2 loss record, losing only to San Ramon and their cross-city rival Alameda.

The J.V. team, which was composed of mostly 1st year swimmers, managed to chalk up a 4-5 win-loss record.

Swimmer Of The Year Trophy went to Captain Anna Fulop while Co-Captain Jamie Sadeg received Most Valuable Senior award. Manager-swimmer Karen Schroeder made sure there were enough towels for all.

GYMNASTIC TEAM ENDS SEASON AS ACAL CHAMPIONS

Rocky The Encinal High Gymnastic team had one of its best years in the history of Encinal. Coached by Mrs. Maria Phraner, the team worked out mornings and after school to perfect their routines on the parallel bars, the balance beam, and the floor exercise. Not only did the team win every dual meet of the season, but they also won the A.C.A.L. Placing high in the ACAL meet were Roxanne Camacho, Tanya Smith, and Adel Brock. Roxanne won every event and was declared the best all-around gymnast. These three, along with a few more, won the honor of representing our team at the North Coast Sectionals.

JETS VARSITY WINS ACAL BASKETBALL 77-78 CHAMPIONS

The Encinal High School basketball team, coached by Dave Johns, had a great season and finished first in ACAL. Despite the loss of starting guard Danny Dozier, the team rallied and earned their place in the playoffs with a record of 8 wins and 2 losses.

Dino Belloumini topped the team in scoring with an average of sixteen points and eleven rebounds per game. Mike Saxton was an all-league choice, and very valuable team player when the offense was stale.

During the season the Jets scored the first hundred points game in their history, when they beat the Pacific Vikings 100-73. They also broke their game average with 63 points per game.

JV'S SCORE HIGH FROSH ENJOY SIX GAME WIN STREAK

The Junior Varsity team had a season of high scoring games. Coached by Jerry Ludy, they posted a 7-3 record and averaged 59.9 points a game. They defeated their crosstown rival, Alameda, in early season play and had a shootout with Pacific, to defeat them by a score of 90-66. The offensive punch was supplied by junior, Brian Arthur, and sophomores, Junior Tupuola and Jack Lomba. The three combined their skills to score an average of 28.2 points a game.

The Frosh team, coached by Ken McCartney, posted a record of 7-1 with an impressive six game winning streak. High scorer for the team was Wendell Rose, who averaged 17 points a game. Their average of 53.6 points a game was respected by all.

ABOVE RIGHT: ROBERT Pamiroyan's jumping ability enables him to get high above an Alameda defender. **BELOW RIGHT:** Wendell Rose has no trouble scoring two points. **BELOW MIDDLE:** Jack Lomba soars high for an easy lay up as an Alameda defender helplessly watches on.

E.H.S. WRESTLERS CAPTURE A.C.A.L.; 2nd NORTH COAST

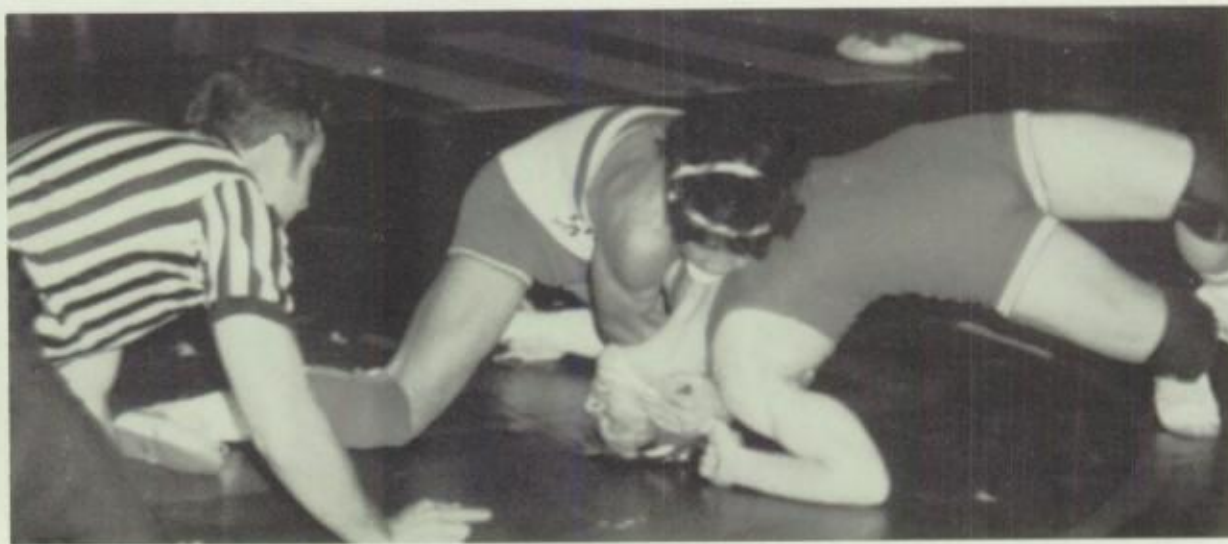

The 1978 Varsity Wrestling team completed their season as the undisputed A.C.A.L. champions. Losing only their first meet, they went undefeated for the remainder of the season. Doing well in five tournaments, the team went on to win A.C.A.L., take second in North Coast, and place eleventh in the state meet held in San Diego.

At the state meet, Ed Carver placed third, and Terry Burton placed sixth. Frank Diohep also participated in the state meet, as did Sylvester Carver who set a new school record with forty-eight takedowns for the season.

The J.V. team did well with five wins and three losses in their dual meets, and also captured the A.C.A.L. title. Mark Lasartemay was named as the team's most valuable.

NORTH COAST CHAMPS ENJOY SUCCESSFUL SEASON

The 1978 Jet track team enjoyed its third successful season in a row this year. The cindermen, coached by Don Grant, set out to capture their second straight North Coast championship. They are also seeking to extend their string of home meet victories to three straight seasons. The team had several outstanding performers in the different areas. The sprinters were led by seniors Dan Dozier and Darryl Thomas. The distance runners, coached by Joe King, were led by junior Dennis King and senior Jim West. The field men were led by Scott Osoimalo and Junior Tupula.

ENCINAL NETTERS PROVE IMPRESSIVE IN A.C.A.L. MATCHES

This year's boy's tennis team with their returning lettermen Kevin Beal, Carl Ploss, Brian O'Malley, James Jones, Bill Warnack, Dan Nixon and Ron Espell contributed to their team by defeating their various ACAL opponents.

Coached by Sandy McCann, the Encinal netters were the best in years and had a very good chance to wrest the ACAL crown from the defending champions Piedmont who were equally tough this year. This season the coach strengthened the team when he scheduled half the matches against the best teams in the Bay Area. Coach McCann stated that this type of competition sharpened the Jet Squad to a championship edge.

With an emphasis on both good playing and good sportsmanship, the Jet Squad always represented the best traditions of Encinal High School.

SWIMMING 78; ROOKIE COACH, 9000 YARDS DAILY

With the aid of returning lettermen Adam Sadeg, Kenny Kirkland, Dante Quarante, Greg Lyons and Dale Roth, the 1978 Boy's swim team had high hopes of repeating their 1977 A.C.A.L. championship performance.

With two mandatory workouts a day consisting of an average of 4500 yards per workout, new coach Gary MacDowell whipped the '78 team into shape within three weeks.

Highlights of the '78 season were the Spartan Water Carnival, the Pacific Relays, the A.C.A.L. league meet and the cross city meet with Alameda.

SOFTBALL '78

FAST GROWING

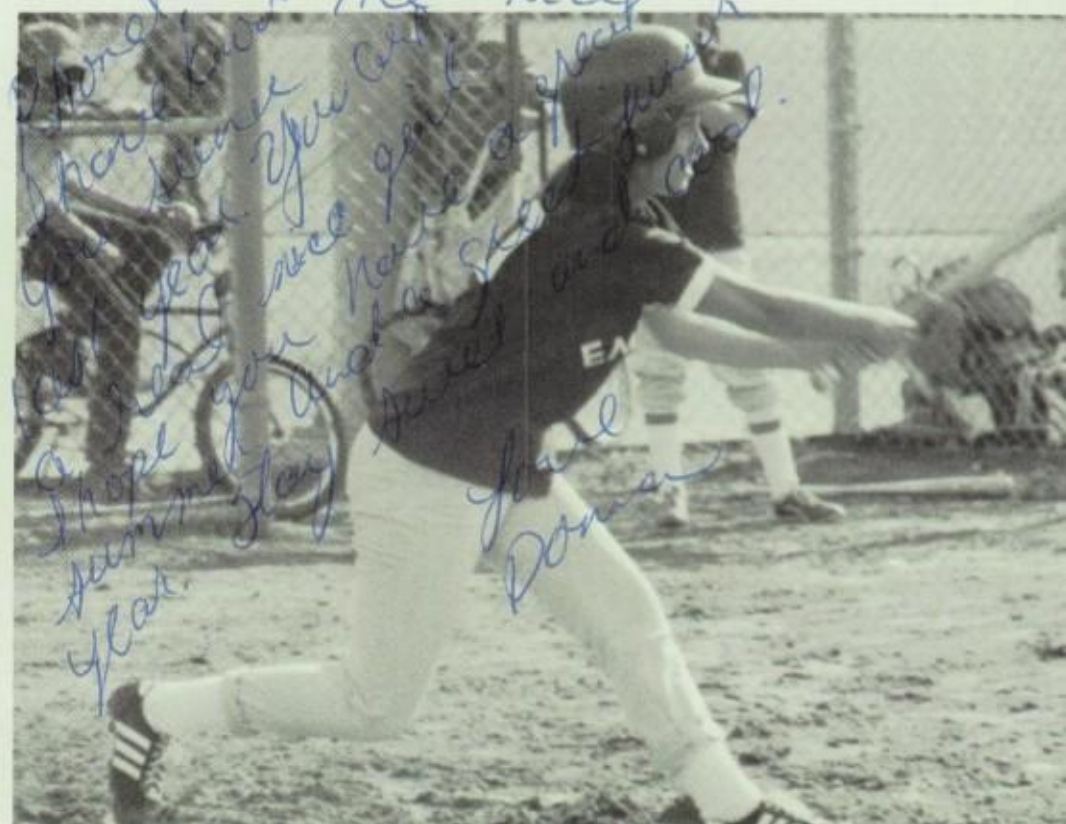

GIRLS ACTIVITY

This was the second year of the Encinal softball team. Some forty girls tried out for the team of the fast growing sport. After a week of tryouts, co-coaches Sue Terrell and Anna Korling formed the new 21-member team. Returning players included Mary Apodaca, Darcel Davis, Melody Lovett, and Joyce Guzman.

The softball team held its practices and home games at Woodstock Park because the baseball team used Encinal's baseball diamond.

The girls ended the season with an 8-7 record. The team's captains were Joyce Guzman and Darcel Davis. Outstanding Player was Joyce Guzman. Most Improved Player was Eileen Rowan and Most Inspirational was Squeaky Soto.

'78 BASEBALL TEAMS GET NEW PITCHING MACHINE

At the time the Horizon went to press the Jets were having trouble getting a game in with four of the first five games being rained out or stopped due to darkness. The one game they did play the Jets won over St. Elizabeth by a score of 1-0 on the pitching of Rick Ortega and the hitting of Dennis Reichert. Returning lettermen for the '78 season were Adam Rivard, Jeff Harless, Rick Souza, Charlie Bertucio and Ed Canalin.

Leading the J.V. team this season were Pat Saxton and Dan Shaffer in the pitching department. A big boost to both teams this season was the purchase of a \$1,250 pitching machine. The Encinal boosters asked Pittsburg star and Encinal alumni Willie Stargel to make a donation, but instead he paid for the whole thing.

BADMINTON GOES CO-ED, NEW EXPERIENCE

This year the E.H.S. badminton team started off with a few changes. To raise money for new uniforms and rackets, the team held a carnation sale which netted about \$100.

The formerly all-girl team became co-ed with the addition of six boys. Coached by Sandra Jones, the varsity team consisted of four guys and ten girls. This was the badminton team's second year of competition in the ACAL. They started off by winning their first match against Skyline High but lost their second match to Berkley.

EHS GOLFERS SEEK THEIR FIRST LEAGUE GOLF CROWN

The 1978 Golf team, under the direction of Coach Ken Brown, enjoyed a successful season. They had a good shot at winning the league title, but Alameda and Piedmont both had strong teams. The team, led by Darryl Browman, Ted Mendoza and Scott Bierwith, won 2 out of their first 3 matches. The team played at such beautiful courses as Tilden, Chabot, Harden Park, and even Silverado. The team also had a girl in Cheryl Saxton. The team members practiced daily despite the high cost of the sport. Typical prices were golf balls \$1.60 each, and an average round cost \$3.50.

MILL-IN: PUSHING SHOUTING, PEOPLE STANDING IN LINE

One of the most important events at E.H.S. was the mill-in. Schedules, broken pencils and torn paper littered the gym floor. People waited in line, finally reached the sign-up table only to find that the class was filled. The freshmen were spared the hassle and confusion by having their schedules made out before 8th grade graduation.

Teachers too had a hectic time. They stayed behind tables and developed writer's cramp from signing schedules. Mill-in gave old friends a chance to plan fall socializing, and gave other people a chance to make new friends.

SOARING SCHOOL SPIRIT INCLUDES CROSSTOWN PARADE

For the week of November 7-10, the whole school "came alive" with student activity. It was Spirit Week 1977. It began Monday morning when students made posters, blew up balloons, and strung up streamers in all the halls. One of the highlights of the week was the daily activities at lunch time. Some of the contests were a trike race, pie eating, and a class cheering contest.

The Spirit Assembly was a huge success. It included the class skits, and the Crowning of the homecoming king and queen. After school on Thursday, there was a spirit parade from Encinal High to Thompson Field.

Homecoming began a week before the actual event. It started with the nomination of thirteen girls and thirteen guys for the title of Homecoming Queen and King. Students voted on November 9th and the finalists were announced that afternoon. On November 10th, at the Spirit Assembly, the runners-up were announced: Rick Charvet was honored Homecoming King and Susan Rivas was crowned Queen. The queen received a bouquet of American Beauty roses. 1st runner-up received yellow roses, 2nd runner-up received peach roses, and the 3rd and 4th runners-up received pink roses.

Later, the King and Queen were chauffeured to the Big Game. The Queen's Court followed in a second car.

A.C.A.L. CHAMPIONS SOUNDLY DEFEAT CROSS-CITY RIVAL

Even though the Jets had the ACAL championship wrapped-up a week before the annual cross-city game they had something to prove. Before a standing room only crowd the Jets played their cross-city rival. The Jets' ground game chewed up the Alameda defense running 356 total yards.

Having the best ground game of the season, the defense held Alameda to twelve first downs, 134 total yards, and only one touchdown. Although the (28-8) game was the Jets 9th straight win, not having a single loss of the regular season.

OPENING DANCE HAS SURFER BAND, MAKES NO PROFIT

The dance season opened this year to the tunes of Papa Da Run Run. The Encinal High student body sponsored the band in the school's opening dance. From 8 to 11 p.m. students danced to Beach Boys tunes.

The purposes of the dance were to have fun, start the school year well, and earn a profit for the A.S.E.H.S. treasury. There was no profit. ASEHS took a loss.

Attendance was sparse but those who went thought the dance was a success. Many felt the dance lost money because our cross-town rival's homecoming dance was the same night and pulled a larger crowd.

EXHIBIT WEEK CONTESTS, FUN AND MANY GAMES

Exhibit Week was a time for games, contests, and fun. Water balloons were constantly being thrown at people.

The balloon contest brought many people to toss balloons great distances.

The band, Stars Of Fire, played as the students relaxed during "Day on the dirt." Students who brought baseball gloves played softball or catch. Soft drinks were sold so students could cool off when they got too hot. The sponge throw was a success as students paid twenty-five cents to throw a sponge at the teacher in the booth. The Horizon asked students how they liked the day? The most common reply was that it was better than work.

STUDENTS FROM OTHER COUNTRIES LEARN AT ENCINAL

Everywhere around the world students are going to school. Juan Hernandez and Yvon van Noort came to school from Mexico and the Netherlands, their native lands. They were the only foreign exchange students at Encinal this year. Both students were sponsored by teachers at E.H.S. Juan Hernandez stayed at Art Roke's and Yvon resided at Dick Gorman's for the school year.

Both students took part in school activities. Juan Hernandez was in the Close-Up, MASA, Model U.N. and travel clubs. Yvon van Noort was on the badminton team.

SADIE HAWKINS BRINGS IN MUCH MONEY FOR SENIORS

The annual Sadie Hawkins Dance was held on Friday night, February 24, in the Encinal High School gym. It was sponsored by the Class of '78 and was a big success. The class netted \$330. There was a good student turn-out, and a great time was enjoyed by all. This year, unlike the previous ones, students boogied to disco music rather than a band. A variety of music was played, but Soul was the most popular style. Reverin' Marrin' Sam was there in the marriage booth to issue marriage certificates to anyone who was interested. Divorces were also available, but seldom performed.

SPIRITED SQUAD TAKES 1st PLACE IN COMPETITIONS

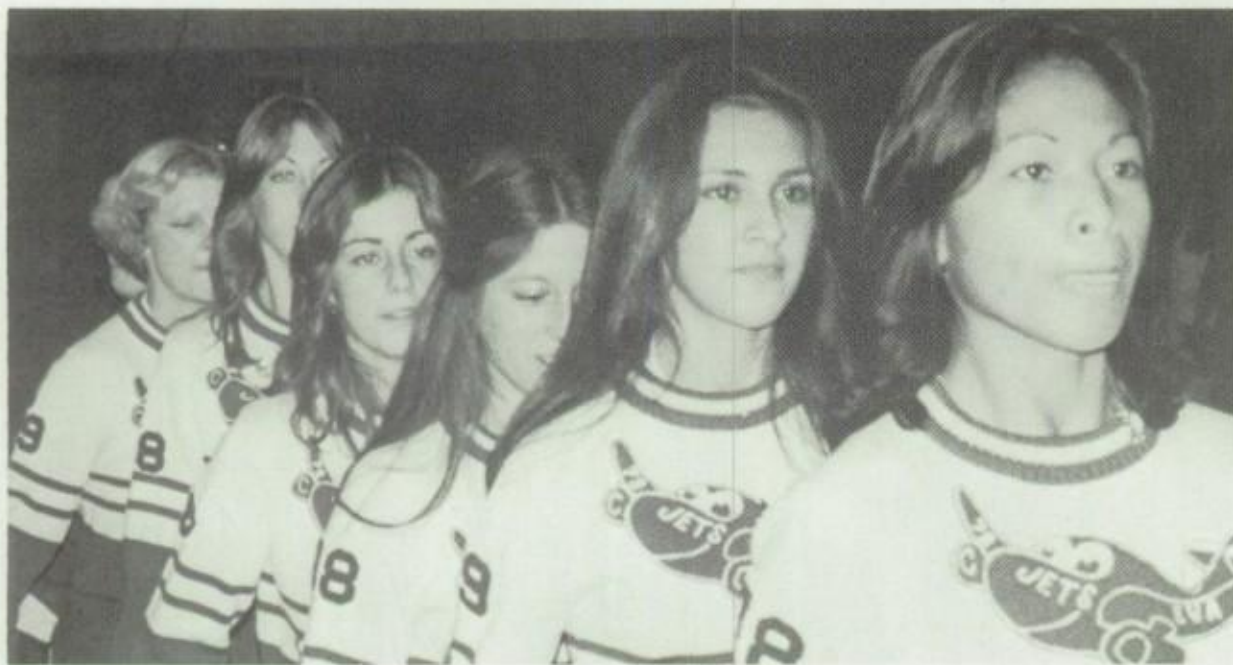

The effort of the 1977-78 Varsity Cheerleaders left the student body with hoarse voices, sore feet, and numb hands. The routines that included yelling, stomping and clapping and were so good the cheerleaders efforts led to 1st place trophies in 2 competitions.

The squad took a 1st place victory at the Omega Spirit Rally when they defeated thirty seven high schools for the title of "Most Spirited Yell Leaders."

Basketball season started with a 1st place trophy. It was awarded when the cheerleaders competed for the spirit title against six ACAL schools.

On Fridays, pep rallys were held on the front lawn to raise school spirit. Ten fund raisers raised \$350.00 The money was applied towards payment of cheerleading camp and their uniforms.

POM-PON GIRLS

MAKE COMMERCIAL,

COOK, WIN TROPHY

The 1977-78 Pom-pon Girls' June paper drive started their fund-raising efforts which helped pay camp costs and for their two-season uniforms. In November the girls played bystanders in a commercial for television. It was filmed in chilly temperatures for normally hot Sacramento. The all-day work earned the girls a hundred dollars. A pancake breakfast in December, in the school cafeteria took days of planning. The breakfast required work shifts that started at 6:00 a.m. It was well worth the hundred and fifty dollar profit.

Last summer at the Santa Cruz cheerleading camp, head pom-pon girl Tessie Amaya's outstanding performances earned her an invitation to join the United Spirit Association's teaching staff.

A 49er football game was the most exciting event the group attended. In a competition against 40 other squads, the nine girls were spotlighted during half-time entertainment and were given a third place trophy for their performances.

FADS: STAR WARS FASHIONS, VESTS, CASUAL CLOTHES

Casual wear was the basic style in fashions for '78. Painter's pants or jeans topped by a shirt, a down or sweat jacket and a pair of sneakers or suede shoes with a ripple sole was a popular combination for school. Scarves added a new flair to girl's fashions. Cowl neck sweaters were also a popular addition and boots returned to the fashion scene. Many students also wore gold chains and rings.

The fads for '78 included skateboards, tennis, skiing and 10-speed bikes. Calculators were used at school as well as at home. Backpacks were carried on many shoulders. Star Wars had a big effect as T-shirts and posters bore its name. The newest fad included Frozen Yogurt which replaced ice cream.

Students spent their lunchtime in a variety of ways.

The travel club sold candy. The art club baked cupcakes, cookies and brownies and sold them in the main hall. The sophomore class was taking orders for carnations, and delivered them the day of the Soph Hop. The Filipino Student Union sold lumpia in the main hall, and made \$239 in three days.

Students brought bag lunches. Some bought lunch at the cafeteria for 55¢ or bought at the snack bar.

Some students didn't want to wait in the long lines so they went to fast food restaurants like McDonald's.

ADMINISTRATORS AND HELPERS HANDLE PROBLEMS

Encinal Administrators were: Frank Hanna, Principal; Ken Biba, Vice-Principal; Ruth Snyder, Vice-Principal; Dick Gorman, Dean of Students; and Annabel Wann, Head Counselor. They occupied themselves with the school's problems that arose, such as: dealing with the low attendance of this year, by laying off six teachers, and averting a double session with Alameda High. They also found time to help the students by collecting tickets at dances and sports events. They maintained discipline and rooted for our teams along with the faithful boosters and students.

STUDENTS TURN TO COUNSELORS FOR ALL PROBLEMS

Counselors did their share when they helped students with their conflicts. The number one item was schedule changes. At the semester break, there were over 900 schedule changes.

A new job or the loss of an old job messed up many schedules and invited counselors help. The end of fall athletics program sent some people into regular P.E. classes and naturally a program change.

A new method of counseling allowed students to use any counselor they chose. This way a student could use one counselor for school conflicts and another for a job and career discussion. The pupils liked this because each counselor had a specialty. Scholarships and finances were Annabel Wann's specialty. John Bay knew much about careers, Linda Stansberry was a walking encyclopedia of college information and scholarships while Warner Croll and Bobby Kiewlich specialized in listening to personal problems that bothered students.

ABSENCES, FOOD SERVICES — PART OF STAFF DUTIES

Secretaries and staff members were an essential part of Encinal High School. They kept the school running smoothly every day of the school year.

There were seven secretaries in the office. Marjorie Mathieson managed the banking office and sold the Horizon. Other secretarial duties included making out deficiencies and mailing them to the parents.

Pamela Stevenson, the school nurse, took care of medical complaints such as: headaches, stomach aches, sore throats and the "I don't feel goods."

Twelve janitors cleaned the school daily. Cafeteria workers made hot lunches for students and teachers. Chocolate chip cookies, milk, cheeseburgers and spaghetti were the best selling foods. Combo Salads, introduced on 1-10-78, also sold well.

STUDENT LEADERS KEPT ACTIVE BY STUDENT DEMANDS

This year's student body officers kept quite busy. Under the leadership of Bob Jackson and Bill McConnell, our student body progressed greatly. One of the year's main activities was the annual Christmas Faire, which grossed one-hundred and thirty dollars, of which sixty-five was donated to Meals on Wheels. Other activities which the officers organized included the first musical all school production, spirit week, and exhibit week.

With the spare time the officers had, they faced the problem of setting up assemblies that pleased the students, which is not an easy task.

ASSEMBLY: GUYS BECOME TEASERS, GIRLS TURN GO-GO

Assemblies were held on Thursdays. The business portion was short, with student body representatives who reported the latest happenings on campus. With over 1400 students, there were bound to be many different views of what was good and bad entertainment. The entertainment was far more varied than in previous years. ASEHS had acts that ranged from student productions to movies.

During the year, the student body witnessed both good and bad assemblies. One act which presented a pair of juggling clowns received a negative reaction from the students. Their high wire walking dog earned louder applause than the clowns.

Perhaps, one of the best assemblies was that of hypnotist, Lew March. He hypnotized 14 EHS students into another world. He took them on an imaginary plane ride, made them stutter so badly they could not say their own names. He turned girls into go-go dancers and the guys into strip teasers to the wild applause of the students.

SANTA COMES A WEEK EARLY FOR EHS STUDENTS

The week before Christmas vacation seemed to be a week of celebration. Celebrations included the Christmas Faire and Play.

The Christmas Faire, in its third year was very successful. Many clubs profited by selling such things as old band uniforms, Christmas decorations and many variations of foods. It also added \$200 to the Student Body fund.

The Christmas Play was held on the night of December 15 in the EHS auditorium. The play proved to be much fun for EHS students as they involved themselves in a variety of skits and dances. Groups involved in this play varied from ethnic dance to choir, others were modern dance, Orchestra and wind ensemble.

MEET ME AT THE FAIR: A TOTAL SCHOOL EFFORT

This year, instead of a senior play it was a total school effort. Two of the four teachers, Mr. Coleman Feeney and Mr. Joe King, used their singing talents to add a special touch to the play.

Mr. Gary Haberberger, the director of the play coordinated the music and scenery with Mr. John Cotter and Mr. James Hewitt to make the play picture perfect, as Broadway would have.

Some of the good performances by students were Louis Cranston, played by Charlie Ames, and Lucy Bancroft, played by Cheri Saunders.

The play was enjoyed by young and old but for the older people it was a time for remembering those good old days.

SENIOR CLASS PROMOTES 1978 MOMENTS WITH YOU

Once again the Winterball, which is sponsored every year by the Senior class was a big success. But this year the success was not based on money, since there was none made, but was based on the reaction of the 175 students, teachers and parents that attended the January dance. And those who did attend the dance, said it was fantastic and very well organized. One of the more glamorous parts of the dance this year, was for the different students to see their other friends all dressed up specially for the formal evening. By far the biggest surprise was that of the band Savory, who played just about every song imaginable. Many couples spent the entire evening listening to the fantastic band.

MODEL U.N. HOLD 14th ANNUAL DONKEY BASKETBALL GAME!

The Model United Nations held their Fourteenth Annual Donkey Basketball game on January 28, 1978. The U.N. students competed against the always tough Alameda Dignitaries and suffered their second straight loss in as many years by a score of 16-12. Leading the U.N. students were Bob Jackson, Mike Murphey and Bill McConnell while the dignitaries were paced by Ron Curtis. The U.N. students said their fund raising goal was \$3000 for their February trip to Washington, D.C. The trip consisted of four days of conference where they debated against top U.N. groups from schools across the nation while also spending a two-day tour of the U.N. Building in New York.

FUND-RAISING PROJECTS: PAYS FOR CLUBS' TRIPS

Travel Club started their school year with a trip to Pt. Reyes in October. They toured to Columbia State Park, Filoli, and Winchester House. To cover the expenses for their trips, they held a Fall candy sale that netted \$200. They had their first Bowl-a-thon in February.

Model United Nations fund-raising goal was \$3000 for a Washington D.C. trip. They had their 14th Annual Donkey Basketball Game which netted \$400. The Washington D.C. trip included 4 days of conference and a 2-day tour to New York city and the United Nations.

Close-Up's major money-maker was a 24-hour bank-a-thon, marathon dance. It raised \$2400. A Front Room Pizza Night brought in \$155 and a Wine-tasting added \$1000. Fund-raising projects send 13 EHS Close-Up members to Washington D.C. They had a week of 12-16 hours per day of intensive study of our U.S. Government.

LUMPIA, SOUL FRIED CHICKEN EQUALS PROFIT

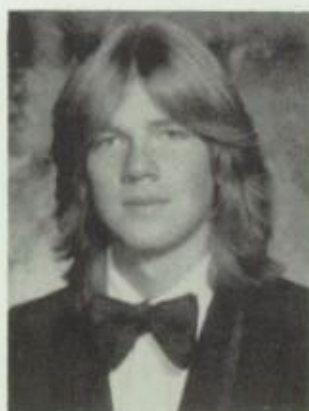

FSU, BSU, and MASA had a successful year in one way or another. The money, clubs raised, was used for an unselfish and useful purpose. Each club chose and financed a scholarship for one of their deserving seniors.

Filipino Student Union had a Thanksgiving Potluck Dinner. At the Christmas Faire, they sold the most popular food at EHS: lumpia. That sale grossed \$239.

Black Student Union members responded to people in need and filled their Thanksgiving Baskets. Their novel money raiser was the sale of soul fried chicken.

Mexican American Student Association raised money through candy and taco sales.

EHS CLUBS VERY ACTIVE IN FUND RAISING PROJECTS

Clubs in EHS were active in one way or another. VICA Club members entered the Regional Skills Competition in San Jose, won 1st place, then went to San Diego for a VICA State Skills Olympics.

S Club started their school year with a t-shirt sale in October and earned \$150. Their annual carnation sale in February added \$40. They donated \$300 to the school to aid the handicapped.

Chess Club competed against other schools during noontimes at EHS and won 1st place. They held a candy sale that netted \$70 and was used to buy a chess clock.

French Club sold pastries throughout the year. They also had a candy sale that netted \$190. The fund-raising activities provided money to send a student to France.

MILL-IN HASSLE ELIMINATED BY PRE-ENROLLMENT

Coming into high school was a unique and different experience for most Freshmen. The hustle and bustle, the crowds and schedules were confusing, if not brain-wracking.

The Freshmen were spared the hassle of milling in this year, although they still had to fill out schedules before graduating from 8th grade.

Under the guidance of Jon Medeiros, Freshman class sponsor, the Freshmen raked in over five hundred dollars from their two candy sales, aluminum can drive, and car wash. In this year's class spirit contest, held during spirit week, the Freshmen took third place.

SOPH-YEAR: LOADS OF FUN; VERY PROFITABLE

The sophomore year started with a very successful Soph Hop with a gross of \$290. With the advice and help of their class sponsor, John Cotter, the sophomore class was able to get back on their feet after a bad freshman year. They participated in Spirit Week, placing fourth in over all events. They engaged themselves in other activities such as the Bowl-a-thon, carnation sale and Christmas Faire which all helped to steadily increase the bank account. They had other events later in the year such as the Bike-a-Thon and a Swim Party to celebrate the successful year.

JUNIOR CLASS RAISE MONEY WITH "SON OF FLUBBER"

The junior class spent the entire year initiating many events. During Spirit Week, the many activities the juniors participated in brought them a second place award. Also they began having successful candy sales. December brought the Christmas Fair. They sponsored pictures taken with Santa Claus. James Allen helped by being a very jolly Santa.

In March they held an Ice Cream Social. The "menu" consisted of ice cream sundaes and the movie "Son of Flubber." In the spring other activities included two paper drives, a car rally, and the Junior-Senior Prom in June.

Without the help of the junior class officers, Karen Guthrie, their advisor, and all involved students, none of their activities would have become reality.

GRADUATING CLASS LEAVES ENCINA WITH SPECIAL MEMORIES

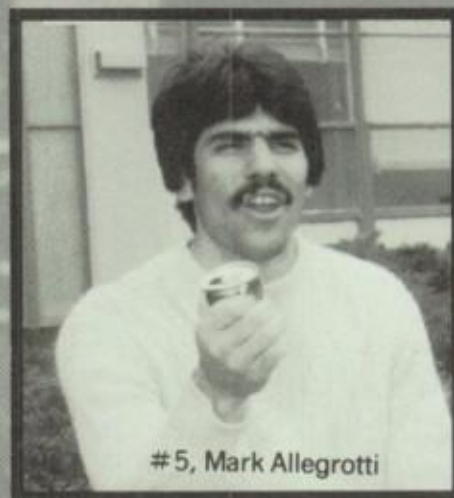

Remember the first year of high school? You didn't know what to do or where to go until you had freshman orientation to familiarize yourself with Encinal. Then the challenges began: homework, exams, and the dreaded report card.

On June 14, the class of '78 was ready to move on to bigger and brighter adventures. All 310 seniors marched proudly onto the athletic field to "Pomp and Circumstance". The ceremonies ended when they received their diplomas in front of relatives and friends.

There have always been students with outstanding records during their high school days. They are known as the Top 10. Leading the group of 10 were Jesus Marquez with a 4.0 average, with the others following close behind.

It's been
nice
knowing
you
although
I don't
know
you
very
well,
but

Rhonda,

It's the end of the year
and we've haven't talk much
but I'll still remember all
the times we had fun
together. So stay the
way you are. Have
a nice summer

WHO'S WHO ON CAMPUS

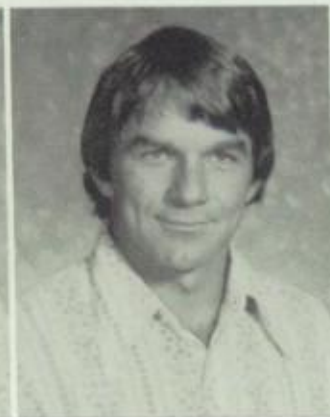

Our school is composed of many different peoples who excel in everything from sailing to painting. Many Yearbooks do a section covering things from the best couple to the biggest flirt. We believe that this doesn't accurately cover all the areas of our school. Instead we developed this section, "Who's Who on Campus." It covers everything from the jocks to the green numbs. The people in the sections are not necessarily the most talented, but the most devoted to their specific category. There were many choices of people that could have been used but due to space limitations we chose the ones we considered the best.

Ken Brown

George Cadwell

Jac Campbell

Steven Capling

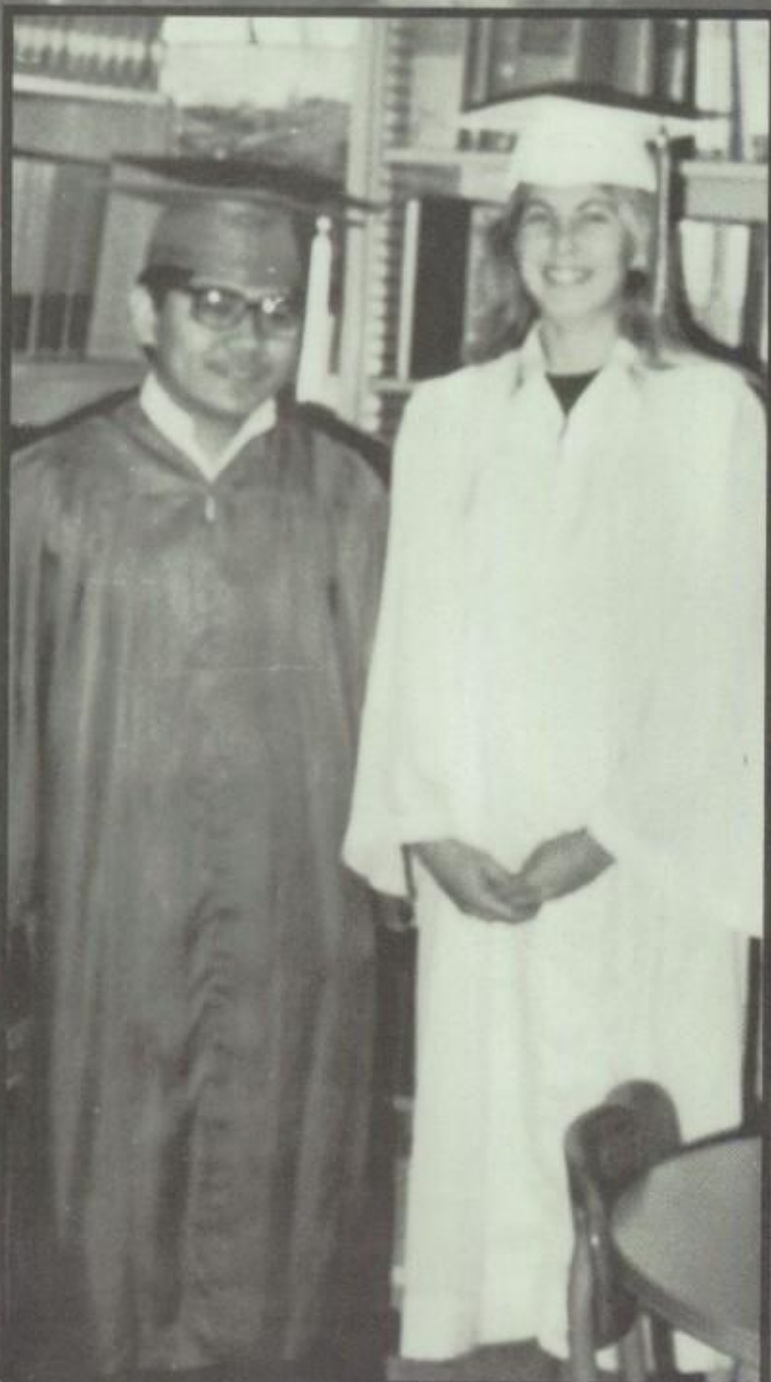

Larry Carpenter

Jane Chavez

J. Chavez

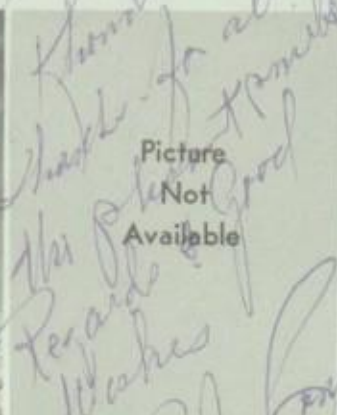

THE HONOR STUDENTS: Jess Marquez and Anna Fulop are #1 and #2 in the senior class respectively. Their grades often seem more like a goal rather than a reality to most students.

THE MUSICIANS: Bob Weller and John Quintana are not only two of the most talented musicians in the school, but also strive to organize many of the band's activities.

THE NEWEST AMERICANS: Entering a new country can be a very trying experience. Roberto Figueroa and Jae Cheong are the newest students to experience this transition.

THE POLITICIANS: Politicians have had a tendency to lose respect on the national level. At Encinal, this is not so. Bob Jackson and Bill McConnell tend to lead rather than mislead students.

Margaret Colson

Lola Crittenden

Warner Croll

Phyllis De La Vergne

Diane Diamond

Ernest Ellis

THE BIKERS: With bicycles well above the \$300 category, and endurance to last one hundred miles or more, Ken Ishida and Posian Wong are the school's most avid bikers.

THE JOCKS: We define jocks as individuals who live, eat and breathe their particular sports. Cliff Denby and Sylvester Carver are the two most all-around choices.

THE CAMPUS BEAUTIES: Although many people were considered for this category, Yvette Edwards, Alice Amaya, Michele O'Neill, Kathy Anderson, and Vickie Reyes were the most popular choices.

THE LEADERS: Our school has many leaders; Libby Roth and Karin Ratzel seem to fit right in. They both have led active school lives and seem to always end up in the leader role.

THE DANCERS: Denise Bartalini, Theresa Amaya, Laura Murphy, and Jennifer Kidd have the poise and grace to make them our school's most accomplished modern dancers.

THE CHAMPIONS: Encinal produces champions in many areas. Bob Wondolleck is the 1977 junior sailing champion, and Matthew Miovas is a champion in auto mechanics.

Robert Kiewlich

Frank Kilpatrick

Joe King

Anna Korling

David Kracl

Jim Kruse

THE CLASS CLOWN: In any group of people, there is always one person who can make the saddest person laugh. Greg Hangartner, Brian O'Maley, and Dennis Reichert are Encinal's best examples of class clowns.

THE SPEAKERS: Start with some natural talent, add some help from the Forensics Department, and you produce award-winning speakers, Carl Ploss and Daryl Browman.

THE ATHLETES: An athlete is more than a person who plays a sport; he's a sportsman who, win or lose, will play his best. Melvin Carver, Dan Dozier, Mike Saxton and Mark Allegrotti are Encinal's finest examples.

A.C.A.L. CHAMPS: Encinal is loaded with champions in every sport. Ward Coffy (diving), Roxanne Commacho (gymnastics) and Katie Delmore (tennis) have made their presence known in the A.C.A.L.

THE GREEN THUMB: Horticulture produces an out-of-class atmosphere. Adrianne Yee is the kind of student that both students and teachers recognize as a future horticulturist.

THE CRAFTSMEN: Through the Vocational Arts program, students learn to shape raw materials into actual works of art. The most dedicated workers are Laura Murphy (Crafts), Pat Graham (Wood), and Rex Miens, (Metal).

RICHARD AGLION: It's so good to know we're gonna make it and it's gotten to the point where we just can't fake it. But for some ungodly reason we just now let it die. I guess neither one of us wants to be the first to say good-bye. I love C.B. (Kalayaan)

MARK ALLEGROTTI: Live in the present; because the past is forgotten and the future is uncertain.

TODD ALMASON: T.N.T. is dynamite.

TERESA AMAYA: If it hadn't been for you, there'd be no reason to care or to live for you've brought all my happiness to me, showed, taught and loved me in a special way and I thank you Piglett, no one on this earth that compares with you and I'm just thankful that I found you in time. To all my bestest buddies Kim, Breckonhead, Tia, etc., keep in touch. P.S. I love you.

BRENDA ANDERSON: Jesus died on the cross for your sins; for you. What more do you want this man to do for you? He gave His life for you — Won't you give your life to him?

MARY APODACA: To the people I've gone through school with and my good friends. I wish them all the best in school, and out of school. Just don't forget #1 Apodaca and keep smiling, because that's the way I'd like to remember my friends.

SANDY AVALOS: I may be just a foolish dreamer but I don't care, cause I know my happiness is waiting out there somewhere. I'm searching to find a love that I long to see, taking just a moment to dream my dreams . . . Ah! Blood, I'm wishing on a star, to follow where you are. A.B., my sweet Babes, always be yourself, cuz that's what makes you special to me, and forever, and always will you be special.

TIA BACCIOCCO: Let us be what we are and speak what we think, keep ourselves loyal to truth and the sacred profession of friendship H. W. Longfellow . . . To the class of '78. It's truly been great! Les, take care and remember all we shared. Kim thanks for being such a true friend. My sister O.F.Y. love KiKi mouse. Thank you my friends for all the fun and joy you've given me.

DENISE BARTALINI: Right or wrong, what's done is done, it's only moments that you borrow, but the thoughts will linger on . . . when the sun comes up tomorrow" R. Meisner — Carde '78 pages of true inspiration . . . ss, gw, bb and bbb — what a year . . . ROBJ will live on forever.

KEVIN BEAL: With the help of my family and friends, I've made it this far. Thanks: This world can't shake me. Bad times can't make me sad. Ol' world can't take me, won't let it drive me mad. While you run your race, keep a smiling face, help you set your pace, life is on your case.

DEBBIE BRADFORD: I close my eyes; only for a moment, and the moment's gone, all my dreams pass my eyes in curiosity. Dust in the wind; all we are is dust in the wind. — Kansas '78.

SCOTT BRADY: I know that you believe that

you understand what you think I said, but I am not sure that you realize that what you heard is not what I meant.

LORI BRECKON: Hey, Dr. J. — I Luv You!! Thanks to all the wonderful people that I have known at Encinal — my love always. Especially to the BJ's, Cha-Cha, Susan, Micci, Party Hearty with the Bull. Hey, BJ's, I love you all very much — thank you for all the crazy, happy times, but especially for your friendship. I will treasure all the memories and look forward to the crazy times. "Always and Forever," BJ's.

PAULA BREWER: The last four years have been fun, but the challenge has just begun. To the Class of '78 it's been great. Good Luck and take care. Also Good-bye to my best friends — Mary H., Chris H. and Shelly M.; it's been lots of fun.

BRENDA BOWEN: I'd like to thank my friends, Bev. and Eileen. We went through a lot this year, but we survived. And to Mr. Hewitt for giving the lettergirls their chance at stardom, and for putting up with our madness. Thanks, Huey Baby. And a special thanks to Mrs. Kinchen for two years of great music.

STEPHEN BOURNE: The past is gone, with only memories remaining, yet the future is yours to build.

KARYN BOTSON: There is a time in every man's or woman's education when he or she arrives at the conviction that envy is ignorance; that imitation is suicide; that he or she must take himself or herself for better, for worse, as his or her full portion; that though the wide universe is full of good, no kernel of nourishing corn can come to him or her but through his or her toil bestowed on that plot of ground which is given to him or her to till.

TERRY BURTON: This is Sweet "B" speaking. To all you young ladies at Encinal: From sweet to sour your man Sweet "B" has the power. I just want everybody to be cool. I know it's going to be hard, since daddy is gone. Sweet "B" signing off.

ALICE CABRERA: In the past of my high school years, I regret not doing so well. Presently I'm happy to graduate and now my future seems coz of you my love. Edgar, my dreams came true when I met you. I Love You, Always and forever. P.S. . . . I'll miss all you guys here! (You all know who you are) . . . but I'll be seeing you again coz good friends never end.

BRENDA CADWALLADER: The Lord gave us two ends to use; one to think with the other to sit on. Which one we use will determine how well we do in life. In other words, heads you win, tails you lose.

MERLE CALIXTO: A friend is someone we turn to when poor spirits need a lift. A friend is someone we treasure, for true friendship is a gift . . . I would like to thank these special people for making my senior year a great one Apples (RG), Sunshine (LR), Peaches (MM), Strawberry (CF), Steve, Francisco, and Hermie. Lime, I'll remember you, you've got a friend.

ED CANALIN: Grasp your simplicity in your own two hands and make it your utensil for life; your path for living; your course for being; do this and you will find pleasure and happiness

in anything and everything, no matter what. Peace is "Easy."

CHRISTINA CARSON: Old days, the times I remember. Gold days, days I'll always treasure. Funny faces, filled with love and laughter, Funny places, summer nights and street cars Take me back to a world gone away. Good memories seem like yesterday. Old days, in my mind and in my heart to stay. To Katrina Looo all the lunch bunch and especially my dad, Ti Amo, Ti Amo!!

CARLA CARTER: Thank you for always being there. You really mean a lot to me. "Take time to listen. Take the time to care, If I know you understand me then my mind and soul is yours to share. Listen with your heart, Listen with your soul when you really listen. Love it what you find. Love, Carla

ANNETTE CARY: "God has given us the gift of life. What we do with our lives, goals, and our successes is our gift to God in return. I want to wish the senior class of '78" all the success they can possibly achieve throughout their lives be fulfilled."

RICK CHARVET: In the past 4 years I've been molded by the occurrences around me. I stand my own ground and have found that by being yourself is the best way to live. I've established knowledge of life and through God have been blessed with a feeling of specialness. Good friends have made my high school life happy, and my special friend has made my life the greatest.

EDDIE CHAVEZ: "What an absurd amount of energy I have been trying to figure out how things really are, when all of the time they weren't."

WARD COFFEY: It's now time to sail the sea. As reflections in the waves strike my memory. Some happy, some sad. I think of all my friends, and the times we've had. Where this boat takes me, I already know. For my God, my Navigator, has told me so.

CINDY CROWLEY: I got more than just an education from EHS. But now I'm full of it. I'm ready to move on. This is the beginning of the end.

COURTENAY DAVIS: Thank you, Beautiful Ladies of the office, for making this a dyno year. FASHION INSTITUTE, here I come! A.R. — Make your trip a beautiful one. I'm gonna miss you. K.K., A-ya, Skay, Deb, the 2 Jennys, Yoseph, Bevie, Bega, Gils, andd everyone else I spent my lunch with: No need to say Good-Bye; just Good-Luck. Love, Court

ROBIN JEAN DAVIS: Charles Gumps; Kate esq, may the sun keep shining your way. Farraha nd, you crazy lady, Hawaii, Hawaii, Hawaii! Kelly cpt, maybe you and Chuck do have a love for . . . ? Just remember the crazy times: In lack in the box, Twinkle star lane, Cruuuuzing. Go for the gusto but look out for the bull! YOU FINE THINGS!

JUDY DAY: To some of the T.P.ers of the T.C.ers, "J'ai un faim de loup, ou est un cafe bon?" Remember the clodhopper and the cod-fish, the Lord and Mother Abraham.

DIANA de KLEER: To the good class of '78;

Robert Richards

Norman Robinson

Arthur Roke

Ruth Romero

Betty Ruark

Robert Ruark

Thanks for all the good times and being part of my life. You've made it all worthwhile. It's been a blast these last 4 years. Good luck to all and live your life to the fullest. Love and thanks to poupie. Goodbye Encinal, it's been fun. Here I come world.

SUZANNE DIERS: To all my friends (the assorted nuts), to all my clubs, and to all my teachers — thanks for making my 4 years at EHS such memorable ones. A Friend is someone who leaves you with all your freedom intact but who, by what he thinks of you, obliges you to be fully what you are.

CHERYL DOBYNE: No generous action can delay or thwart our higher, steadier aims but is sincere and true are they, it will arouse our sight, and nerve our frames. Thoreau

DANNY DOZIER: To the patrol it was "Hell a bad." Leaving school is kinda sad. To all the ladies of EHS stay always fine and sweet . . . and remember me. Danny D.

BEN GARDUNO: Once there was a man, he believed that what he dreamed of could be real. So he strived on to make it come true, fighting odds, not knowing what would come of him. And so he carried on and on because he believed that, once in his lifetime the things so unreal could be real . . . So as I leave EHS I think of this, if I could do it again, I would, especially with my best friends LS, TC, KB, MB, BN, HR, MP, KB, BG, and JL.

ANDREW GEE: My pen is at the bottom of the page, which being finished, ends another chapter of my life; I have but one regret — I wish it could have lasted longer. P.S. Remember, those who went out for football didn't have the ENDURANCE for cross-country.

MIKE GHISILLI: Beer is for the stoner, but wine is for the connoisseur.

MARY GONZALES: Bye Cindy, Gia, Slimbo Rhonda, Crazy Robbie, Mrs. Ellis, Mrs. Stansberry, and everyone else that's left at Encinal. I'll miss you all.

JEFF HARLESS: Jeff Harless to Stephanie Meza; The shadow of your smile when you are gone will color all my dreams and light the dawn. Look into my eyes my love and see all the lovely things you are to me. Our wistful little star was far too high, a teardrop kissed you.

CHA-CHA HARRIETHA: Thank you all for always being there . . . B.J.'s — Susan, Micci, Lori remember the crazy times and always go for the gusto . . . the Bulls, how bad? Hella bad!!! G.F.I. Here's to sister susie . . . Apt. 103 . . . Look out for the Bull — Dearest Bodacious (Daryl) Hey you know, I'm not a kanut I'm kalove!! Always-n-forever your budd . . . Malice, thanks, I love you.

CHRIS HEWITT: When you become a senior, you have completed the path of High School, and now those four long years are behind you. Enjoy those years before they go too fast.

YVETTE EDWARDS: Yesterday we met with time at our sides. Today we love as time flies by. Strength is what we need to hold. For love is cherished big and bold. Trust in me and we'll make it there, Michael I love you, because you care.

BYRON ELMORE: Live cool. Love cool. Live and be loved. And you'll love life.

OSIAS ENCARNACION JR.: Be persistent in whatever you do; no matter how long it takes or the consequences may be.

KEN ENG: Though we travel the world over to find the beautiful, we must carry it with us or we find it not.

ROY ERNY: "As I slide down the banister of life, I remember Encinal.

RON ESPELL: Do not follow where the path leads, rather go where there is no path and leave a trail; for to make way for the new the old must die.

NANCY "PEBBLES" ESTIGOY: To everyone that helped me make it through this past of my life I give thanks. With extra-special thanks to Sam, Brega, Janet, Alyce, Reid, Mayang, Matec, Mark, Marty, Steven, Alan and especially my mother and father who made this all possible. Good luck and take life easy . . . I love ya and I'll never forget ya. Take care.

SARAH FAULKNER: When I give of myself, I am considered dependent! When I withhold my love, I am considered selfish! Am I alone in this confusion pertaining to life's principles . . . or am I simply the only one who courageously admits it? It seems that existing is all my disillusioned soul can handle . . . P.S. To SF, CD, JK, and AA: There are few people that God has given me to thoroughly enjoy. In case you're wondering, this is just a sentimental way of saying "Thanks!"

JANET FLEISCHMANN: The first key to wisdom is this — constant and frequent questioning . . . for by doubting we are led to question and by questioning we arrive at the truth. — P. Abelard

MARGARET FREZ: Memory is the treasury and guardian of all things. — Cicero

ANNA MARIE FULOP: The moments we've shared together, the laughs, the cries — the sunny smiles you have given me. It is all unforgettable — To my favorite #14, by buddy and to every special friend I know: YOU HAVE TAUGHT ME THE JOYS OF LIFE! . . . May all your futures be blessed.

LORI HAIJSMAN: God blesses those who obey Him; happy the man who puts his trust in the Lord. Proverbs 17:20

CAROLE HUIE: Thanks to the incredibly strange people I've had the misfortune to know, I have been able to retain my insanity through four years here. Dada, Scotty, Irish, Nesie, SS, Robin and Robing (wherever you are) I didn't think it was possible, but you're as crazy as I am! neiser-pps, fotgg, aotuoafos, muggen, itig, get back up on that wall! Siggie — I don't know . . . hee hee boing boing giggle giggle snicker snicker a-much a-muck.

BOB JACKSON: "Travellin' down the road, trying to loosen my load, got 7 women on my mind, 4 that wanna hold me, 2 that wanna stone, 1 says she's a friend of mine, Take it easy!" To all of you who know this is for you, thanks for everything. When in doubt, GO FOR

IT!

"SWEET" JAMES JONES: Love is like oxygen, you get too much you get too high, not enough and you're gonna die. High school will be a long remembered time in my life. Some friends I will keep, many not more . . . No major difficulties, it was an up-hill slide . . . It's on to new and better things in life.

GILBET JEUNG: I just want to wish everybody that I've been associated with here at Encinal High the best of luck.

KATHY JOHNSON: Life is full of memories and fun. With all the great people I have met here at E.H.S. my life has become more fulfilled and happy! Love to all my junior friends. Good Luck and Feel free to be yourself. R.B. See how smak I fust that! Crummy Olives, Patty N. and Chris Sac. Never forget Big Arks! Love ya all. **RANDY JOHNSON:** Times come. And times go. But the time I spent at Encinal, I will always remember. Thanks to all my friends.

KEN KIRKLAND: There's nothing better for the head than the good ole grateful dead!

LINDA LARSEN: Cheri; for all the times we laughed and cried, thanks. I shall remember with happy tears. As or "A.D.", I'll never forget you, for you taught me well. And Dad, you helped me through everything, thanks and God Bless You. Goodbye my friends.

BEV LEAHY: "Just when I start to understand life, it changes and I am left the same. The more things change, the more I feel the same. I am what I started with, and when everything is over I will be all that is left of me." (Thank you L.V. for helping me be me.)

SHARON YVETTE LEE: To the gang — I hope all of you enjoy your senior year as much as I did. P.S. Joseph — you have been a special factor in my senior year. You will always be something special to me. Love, Teta

VALLI LIM: Imagination was given to man to compensate him for what he is not; a sense of humor to console him for what he is.

ANTHONY LORIGO: Thanks for the good highs! Thanks to my good friends who were around when I needed them! They know who they are. Now it's time to prove what men and women we really are to this world! Time to take our chances and fulfill our dreams! My God watch over me, my good friends, my mother and father, my brother, and my three wonderful sisters.

JESUS MARQUEZ: Interdependence is important but so is independence. Don't take advantage of others and let them solve your problems. Use what you have and give your best . . . You'll be surprised at what you can achieve on your own.

BILL McCONNELL: S.C. — Red, Red I want red — there's no substitute for red. Thanks for being here, to the 151st — remember, the best things in life are free, the second best is 4.50 a shot.

REX MEINS: Do not compromise yourself for it's the only self you've got.

MELODY MEYER: Yesterday, today, tomorrow, forever. That's all the time we have left to spend with each other. Je t'ainie

TERRY MIGLIOZZI: Good-bye to all my friends, good-bye to people I've trusted. I've got to go out and make way. You know I might get rich; you know I might get busted. My heart stops and I hesitate as I get on the 747 and then I turn with tears in my eyes; you know you've got to go through hell before you get to heaven.

STEVE MILLER: To Encinal: These last four years have been a learning experience. It has been quite enjoyable as well as an important part of life for us all. To Janice R.; B.G.; S.W.; and the rest of my unique kind of friends: I love you just the way you are. Let's get small well EXCUSE ME. Spam

CATHERINE MILLS: Let's not say "Au revoir." Let's just say "Hors d'oeuvre." — Maring Mull

THERESA MONTANYA: It is easier not to speak a word at all than to speak more words than we should.

DENNIS MORATA: Every man is my superior that I may learn from him.

DAN NIXON: My heart is warm with the friends I make, and better friends I'll not be knowing. Yet there isn't a train I wouldn't take, No matter where it's going. When God made J.K., He had a lot to do, In a day or two, you were my dreams come true.

YVON vanNOORT: I would like to thank all my friends and teachers at Encinal who made my stay in the United States an unforgettable experience!! When you are in Europe, please come by and see me.

BRAD NORDSTROM: Leaving behind a very small moment, and passing it over with love, "a rope bound in Understanding," was cast off the bow, to Rebuke the winds, and calm the seas, pulling me "back into the warmth and safety of friendship." — THERE IS NOW LOSS

MIKE NEREU: Yvette, I will always love you. Always and forever.

JANET NIYA: People are like stained-glass windows; they sparkle and shine when the sun is out, but when the darkness sets in, their true beauty is revealed only if there is a light from within.

MILLIE OCHOA: I am glad this is my last year.

I've had my good and bad moments, but they're over now. Nancy James: What can I say except you've been a great person to me. As for you, J.R., I didn't miss you at all this year. "78" is the greatest.

SHEILA OLSON: "78" Now! It's gone — our brief high school years. Each of us with its thought or deed, it's why or how. But know, each parting year gives up a ghost, to dwell within eternity. And to Sal, forever isn't long enough.

MARK ORMES: To all my good friends, I wish you good luck always. I want to thank anyone and everyone that had something to do with our team because we were hell. "Remember, the Jets fly high and so does Mark." To all the ladies stay healthy. CRAZYMEN of '78. Laney Eagles be ready for me.

ALFROSE ORPILLA: I've always felt that tomorrow is for those who are too much afraid to go past yesterday and start living for today. I feel that lasting moments are coming far and few between. So I really can't tell you now of the happiness you may bring. GOOD LUCK CLASS OF '78. Remember always; DANCE DANCE DANCE.

RICK ORTEGA: I hope we all find happiness in our lives, because life without happiness is meaningless. Ricardo Munson.

DIANE PACHECO: Juju — may all of your Guy Fox days be merry and remember five through twelve were the best! S. Caroni — I wish you "Better Days and Happy Endings" always. B. Aguon — You got! Chapman R. — I'm glad I saw you again.

ESTER PARASCHAK: Let us share our blue and green earth with the beautiful creatures we call whales and experience their beauty. To the lunch bunch: Weeell, let's go out to lunch. Love to you all. To Chris: Let's be skinny.

CARL PLOSS: The game of life is an interesting affair. Our cards are dealt and played within a very short time. Play them wisely.

JIM PRATT: Through the years of high school, much have I learned anew. Trigonometry, Geometry, and English being but a few; but, above all these one thing stands, never, never hurt the bands.

STANFORD QUAN: In high school, there's no place for using effort. Just be ordinary and nothing special. Eat your food, move your bowels, pass water and when you're tired, go and lie down. The ignorant will laugh, but the wise will understand. To the friends I've made and kept during these past four years at Encinal: Grassi-ass, mis amigos, para los memorios.

GIL RAMOS: "There ain't nothing stopping me now."

DEBORAH RANKIN: Take time out of each day to meditate with God, gather your thoughts of the day, and try to understand them. Live a good life today, for without a today there will be no tomorrow. Above all things, be true to your self. Try not to worry over trivial things (they give you headaches!) — Love, Peace and Wisdom to all.

DENNIS REICHERT: You went out and found

you a guru in an effort to find you a new you, and maybe even manage to raise your conscious level. While you're strugglin' to find the right road, there's one thing you should know; what's hip today might become passé. — Tower Of Power "What Is Hip?"

CATHERINE REILLY: True happiness is within us. Those who touch the tender spot deep in our souls, bursting forth that happiness have shared love. Thanks to those who have shared, cared and loved.

KATRINA RESLER: I'm so glad we had this time together, just to have a laugh or sing a song. Seems we just get started and before you know it, comes the time we have to say, "so long!" Chris, thank for all the good times. You've shown me more than fun and laughter — you've shown me love. Teryn — you're the greatest! I love ya.

VICKIE REYES: For all the good times — for all the memories. A special love to all my friends. And most of all, to my High School Sweetheart, Teddy. Thank you for some of the best times I'll never forget, and you never know "Somewhere Down the Line" — Take Care Babe, Mahal Kita, Kapantay ay Langit.

TONY REYNOLDS: Fellas, you all made these years a lot easier to take! Thank you. A.G., may no more super Novas cross your path. "Dangerous," when you do it Cha-Cha do it with soul! It's been said, "He who has found a friend has found a treasure." If so then I am the wealthiest person on earth.

CECILIA RIOS: Larry Smith, George Rogers, Jeff Harless, Danny Dozier, Terry Burton and Gordon Smith. To the six finest men in Encinal High School. So you better watch yourselves when you get out into the big world. Take Care.

ADAM RIVARD: These four years have changed each of us. Our attitudes, opinions, beliefs. Many say it was a waste. I disagree, because we have learned, and that's what school's all about anyway. RIGHT? S.A.R. — Too bad you blew it! I love you anyway. P.S. Please be sure, Limplip, D.T. — my main man. Stay cool and in touch. Chip — I'm sorry for what I've done, but glad for what's to come. I LOVE YOU T.R., Dr., Smitty, J.H., COUNT, DIANA, Phyl, Av., BJ's, Eva Kanaka, Kuuiipo, Fellow Champion athletes and especially ET-wir. I love you all. Remember 1978 — THE YEAR OF THE JET.

SUSAN RIVAS: Mom and Dad, Thanks for everything. I love you both very much. Then there's the B.J.'s! We have great memories, and more to come. Just like the Bulls! Both groups I'll never forget. Love you all! To all my good friends at E.H.S., Good Luck, love to you all. Thank you, Franklin, for making my life so happy. I Love You. The future's ours. P.S. Bye S.P.

DARLENE ROBERTSON: I AM ALONE. I am alone. Like an eagle soaring above all. Like a single tree on a mountain straight and tall. Like a drop of water, falling from a great waterfall. I am alone, and lonely.

JOHN ROCKETT: I want to thank all the special people who helped make my high school bearable. I wish you all the best in life and more important, I wish that some day, all of you will

come to accept Jesus Christ as Lord and Savior of your lives. You may laugh and make fun about it now, but when things are going bad, pressures are building up, and there seems no way out, remember Jesus Christ because he remembers you.

SHELLY ROSS: Does anybody really know what time it is? Hey S-E-N-I-O-R-S!! Let the good times roll and remember love, the GREATEST gift of all.

JANICE ROGGE: Steve: I cannot give you wealth or fame, but I can wish you just the same, laughter, love, and friendly faces, and golden moments the heart embraces. Love, Janice

JULIE RUSSELL: To Those I Love (especially: Herbus, Bozo, S&M, and the lunch bunch): Life is full of "good-byes." If this must be our "good-bye," so be it. But let us take with us a piece of one another to nature in our hearts, where it will continue to grow for the rest of our lives.

DEBBIE ROWNEY: Forevermore K.J.S.

JAMIE SADEG: Suntan bodies and waves of sunshine, California girls and a beautiful coastline, warmed up weather, LET'S get together and do it again: SKIING . . . oh wow!

CHRISTINE SAKOWICZ: GOOB 1: It is easier to make memories than to unmake them. It is easier to remember than to forget. It is impossible to be sure we have forgotten — anything. And since memory remains, we would do well to look at what we choose to make our memories.

EVANGELINE B. SANTOS: To the PARTY LINE — "Party Hearty!!" Thanks for those great times. GO FOR THE GUSTO!! Janet, Cinderella, Rose and Colleen: forever love Yanos, Talgr, M and Chuck, Frank — I'm opening my mind to such a beautiful world. . . I love you babes . . . so very much . . . Just me, Eves

CHERI JENNIFER SAUNDERS: To Linda Lovelace, Bryan, Bradley, L.J.B.S., R.L. "Hee-Hee" J., W.J., "MOA" M., Bonz, JuJuBe, D.P., S.K.R., C.J.S. "BRO." A.E.C., C.C., Gee, Ghiselli and Warnack, What can I say? Remember the smiles we left behind, smiles we gave to one another, for the way we were. If we had the chance to do it all again, would we . . . could we? Thanks for the memories, Love to you all!

MARIA G. SAUSA: The love in heart wasn't put there to stay. Love isn't love till you give it away.

BOB SAYLOR: To Mel, Theres, so many ways to show I care, many things to be aware but there's three words that tells is true and that's to say that "I LOVE YOU."

LYRIC SAYSON: To my brothers, Ali and Bob, and Sister, Ro — Thanx for putting up with me this hectic year. And for being there when I needed you. **MARIANO JAUCO (CHAUCO):** The love we share is special. The memories of us in the past and all the crazy times, I treasure deeply. "With you" Babes "I feel brand new." Mahaikita . . . Forever Stanza 4-4-75.

MARIN SEPIC: It's been such a long time till

graduation but now I am leaving into my Journey into the Future.

GORDON SMITH: Be grateful for all the ladies and fellows that walk along your way; be grateful for the skies of blue that smile from day to day; be grateful for the health you own, the work you find to do, for round about you there are men less fortunate than you.

KELLI L. SMITH: Sing — as a song in search of a voice that is silent. And the one God will make for your way.

KELLY ANN SMITH: "Well I don't know, but I been told, big legged woman ain't got no soul." To my BB, remember "Just Never Forget" And to my buddy JS, long live advisory!!

CLAIRE TAYLOR: — Believe — in a positive tomorrow and when in darkness smile up at the sun as it shall to me, for I'm there when I need me and I'm not when I don't.

DEBBIE TAYLOR: Anything worth having is worth waiting for. Whatever your dreams may be — pursue them to the fullest and you'll be one to succeed. Wishing Charla Carter and Chris Kelly the best out of life and happiness be with you all "78" . . . Love Always

MEIDA TAUTALATASI: As I leave Encinal High . . . I'll remember the mess I got in during the year, but I'll be looking for an outgoing future ahead of me.

SANDRA TORIBIO: To Love Another "For one human being to love another; that is perhaps the most difficult of all our tasks . . . the work for which all other work is but preparation." Class of "78" The Best

DARYL THOMAS: To the Soul Patrol, this year we must part but the memories we share will always be at heart. John Irvin — Our Friendship is Forever . . . B.J.'s . . . I love you all — Cha-Cha — we have a life of love that won't ever change. HEY YOU KNOW, Always and Forever . . . "BO" Mr. Grant, Thank you for everything Take Care and God Bless. P.S. (J.H., B.M., A.R., and T.R.) Stay Cool.

BOB TITULAR: To my sisters Deb and Lyrie: Thanks for putting up with me and just be ever wonderful in your own sweet way. "La" — I'll always be thinking of "you and I" and those "Precious and Few" moments we've shared together. Mahal Kita babe 3-7-78.

KIMMY A. WATKINS: The time has come for closing books and long last looks must end, and as I go I know that I am leaving my best friends. Tess, Susan and Roxanna . . . F.W.'s forever. Adam . . . for the times we've shared, thanks . . . Aloha, love Chip. Chooch . . . I'm gonna miss you buddy . . . stay crazy . . . for me!! (gallo power) Tina . . . memories . . . thanks for them all! I love you — Marianna. Class of '78 . . . We are the champions . . . rah!

SETSUKE WATANABE: Every individual has a place to fill in the world, and is important in some respect, whether he chooses to be so or not. Hawthorne

BILL WARNACK: I can now face the day, cause peace and love are here to stay. It's been a

long education, but my homework is done . . . for awhile anyway. I'm not sorry for the things I do; everyone else does, so why don't you. And in a moment of passion, get the glory like Charlie Manson. Linda, hopefully nothing will tear us apart, cause you're my sweetheart.

KATHLEEN WESTOBY: '78 We finally made it. The end? or The beginning? And to Tim . . . It will always be the beginning.

KAREN ANN WILSON: I've had all I can stand, cause I can't stand no more . . . Goodbye S.W., A.Y., J.K., S.M., S.Q., A.G., S.Mc.

DAVID WOLFE: There's a special love, like an eagle flying with a dove. I'll find it in the end, if I keep on searchin' . . . To K.B., D.B., B.W., R.E., K.D., D.N., etc. We will never know times like this again. And remember those words of wisdom by T.N., When in doubt we wipe it out; We got us a rock-n-roll band, it's a free for all.

SANDY WONG: To all my dear friends: you know my love is always here for the taking, and goodbye don't mean I'm gone.

BILL YEE: Since I was a Freshman, this school's been good to me. With spirit weeks and Travel Club and throwing "toiletries." But now I am a senior, life here's been really great. But as of next September, what will be my fate? Well, now that I am leaving, I'll bid this school "adieu." I only have one thing to say, Encinal I will miss you.

DIANE YEE: I have a room whereinto no one enters save I myself alone; there sits a blessed memory on a throne; there my life centres.

DALE YOUNG: Wino's are dead, cause they're drunk in the head. Beer drinkers are fools cause beer makes them drool. A stoner combines the two to make a real duo, but to find a true stoner he's got to be a rock and roller.

TO OUR READERS,

The Horizon is a recognized leader in major innovations of yearbook techniques. This yearbook was based on an art concept called Art Nouveau. It was based on a breakaway from traditional art, emphasizing curving, flowing, restless lines which captured an air of freedom. In this book we incorporated many ideals of this art form as well as creating our own modern version. From the ideals of Art Nouveau we derived the theme of this book, breakaway. We broke away from many of the established techniques that were laid down by both Encinal and major yearbook publishing companies.

The cover of the 78 Horizon captures all elements of the theme, and was painted in what we consider our own recreation of Art Nouveau. From the man on the front to the bird on the back, the cover symbolizes the breakaway spirit which is present in all our lives.

As in anything which undergoes major innovation, its success can only be determined in its acceptance, in our case, by our readers. We have tried to cover all academic as well as individual activities with the fullness that Encinal so justly deserves.

Encinal is well known for consistently putting out one of the Bay Area's finest yearbooks. We believe that the 78 Horizon has met this high standard and has exceeded it.

Thonda a Very Dear and Special Friend ?
mine who I hope we will stay Friends
for a long time. Thonda you're real Crazy
and Goofy^{that's} why I like you so much
if you weren't like that I think we wouldn't
get along because I like fun people not
dead beats. Thonda I liked having you in
health if you weren't in there I probably
would of failed (not say I did) Never know
what Mr. Noble going to do. Well I'm
going to say buy but not for good because
I will see you all threw the summer
now isn't that going to be fun. Now you'll
never get rid of me. Love Always Duchee.
"80".

To Rhonda,
 A friend I really
 cool friend who I
 had fun with in
 clothing, well I don't
 have very much to say,
 but I hope you have a good
 time in the summer, because
 I am well & cool
 Love Toni

Rhonda
 I'm Glad I got to
 know you a little better
 this year than in the
 past. But I know well always
 be friends, and I hope
 your summer comes out
 OK. So I hope you stay nice
 bye
 Ashley

Rhonda,
 Wow! A whole year gone by.
 You seem to make every day
 nicer. Stay just the way you
 are and you'll go far.
 Keep in touch 501-8882

Love ya!

To a sweet girl
 who doesn't seem
 possible well be
 juniors next year.
 Stay the way you
 are and you'll have
 no trouble in life.
 Have a great summer
 Love a Natalie

Rhonda,
 I hope you have a
 great summer.
 Love
 Toni

Rhonda,
I don't believe thru
we've made it
this year. I can't say
"hope to see you next year"
cuz I won't be here but I hope
your next two years are good
for you.

Keep Smiling!
always
Jill

So
a real
nice girl
stay that
way.
